OPINION

Pursuant to 28 U.S.C. § 2255, petitioner filed this habeas-corporus case. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that the habeas-corporus request be denied as time-barred. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 28th day of November, 2012.
