OPINION

Plaintiff filed this lawsuit asserting a claim of unjust enrichment against defendant. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed due to plaintiff's failure to follow court orders. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 15th day of November, 2016.
