OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, who was incarcerated at the Russell County Jail, filed this lawsuit against the jail's medical staff and sergeant employed there, complaining that he was denied medical care for arm fractured during his arrest, was given the wrong medicine, and was forced to sleep on the floor. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for failure to comply with a court order to pay an initial filing fee. There are no objections to the

recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 13th day of January, 2025.
