**AFFIDAVIT OF MELINDA J. PORTER**

I, Melinda J. Porter, Paralegal for James R. Bosarge, Jr., Esquire do hereby aver and state that the following is a true and correct statement.

On Thursday, May 24, 2007 I researched with the United States Postal Service as to why we had not received the "green return receipt cards" back from the postal service. I had earlier checked on-line and confirmed that the Defendants had been served earlier in the month of May, 2007.

I was informed by the United States Postal Service that the pleading packages had been delivered but that the green cards had been lost or destroyed in the process of return to our office. The United States Postal Service informed me that this was not an unusual situation for certified mail.

On Friday, May 25, 2007 I personally went to the United State Post Office, Main Branch in Birmingham, Alabama to seek proof of delivery, i.e. proof of service. The service clerk said she could give me a copy of the delivery signature which would include our article number, the date and time served. I purchased this Confirmation of Delivery, i.e. proof of service at that time.

Attached are the original Proofs of Service as provided by the United States Postal Service on May 25, 2007.

I certify that the following Defendants were served by the United States Postal Service as follows:

**The UNITED STATES AIR FORCE d/b/a USAF XOI-RE
