MEMORANDUM OPINION

On February 20, 2012, Plaintiff DJR Associates, LLC, d/b/a ChemStation of Alabama (“ChemStation”) filed this action against Synergy Technologies, Inc. (“Synergy”); Randy Allen, and Jason York (collectively “Defendants”), invoking this court’s jurisdiction under the diversity statute, 28 U.S.C. § 1332. (Doc. 1 (“Complaint” or “Compl.”)). The parties have consented to exercise of plenary jurisdiction by a magistrate judge pursuant to 28 U.S.C. § 636(c) and LR 73.2. (Doc. 7). The cause comes to be heard on the parties’ joint motion, filed July 13, 2012, for entry of a consent judgment in favor of ChemStation and against all three defendants, in the amount of \$472,502.80, with costs taxed as paid. (Doc. 5). Upon consideration, the court concludes that the parties’ joint motion is due to be GRANTED. A separate final judgment will be entered.

DONE this 20th day of July, 2012.

PAUL W. GREENE
CHIEF MAGISTRATE JUDGE
