MEMORANDUM OPINION

The magistrate judge filed a report and recommendation on September 25, 2020, recommending this petition for habeas corpus relief filed pursuant to 28 U.S.C. § 2241 be dismissed without prejudice and that the pending motions be denied as moot. Doc. 13. Although the petitioner was notified of her right to file objections within fourteen (14) days, no objections have been received by the court.

After a de novo consideration of the entire file in this action, including the report and recommendation, the court **ADOPTS** the magistrate judge’s report and **ACCEPTS** the recommendation. The court finds that the petition for writ of habeas corpus is due to be **DISMISSED WITHOUT PREJUDICE** as prematurely filed, and the pending motions **DENIED** as **MOOT**.

A separate order will be entered.

DONE the 21st day of October, 2020.
