MEMORANDUM OPINION

The magistrate judge entered a report and recommendation on December 14, 2021, recommending the defendants’ motion for summary judgment (Doc. 27) be granted. (Doc. 33). Although the parties were advised of their right to file objections within 14 days, that time has expired with no objections having been received by the court.

Having carefully reviewed and considered *de novo* all the materials in the court file, including the report and recommendation, the court **ADOPTS** the magistrate judge’s report and **ACCEPTS** the recommendation. The court **EXPRESSLY FINDS** that there are no genuine issues of material fact and that the defendants are entitled to judgment in their favor as a matter of law. Accordingly, the court shall **ORDER** that the defendants’ motion for summary judgment be **GRANTED** and this action dismissed with prejudice.

A Final Judgment will be entered.

DONE and **ORDERED** on February 10, 2022.
