

the court finds that any action seeking to extend the scope of the bankruptcy stay is moot. Moreover, Appellee filed a motion to dismiss which states that the foreclosure sale of the property at issue took place on January 20, 2009.² (Docs. 2 & 3). Thus, the court finds dismissal of this appeal is appropriate.

CONCLUSION

For the reasons stated above, this appeal is **DISMISSED**.

DONE and ORDERED this 11th day of March, 2009.
