**ORDER**

The Magistrate Judge has entered a Report and Recommendation recommending that summary judgment be granted in favor of the Defendants on Plaintiff’s Federal law claims and that Plaintiff’s state law claims be dismissed without prejudice on jurisdictional grounds. (Doc. 60.) Having carefully reviewed the Report and Recommendation and Plaintiff’s objection thereto (Doc. 64) under the standards set forth in 28 U.S.C. § 636(b) the Court hereby **OVERRULES** Plaintiff’s substantive objections<sup>1</sup> and **ADOPTS** the Report and Recommendation as its own.

**DONE and ORDERED** this the 15<sup>th</sup> day of December, 2014.

**Senior United States District Judge**

---

<sup>1</sup> In his objection, Plaintiff points to some minor factual errors in the Report and Recommendation. On page 10, the statement “Officer Tyus went to Housing Unit B. . .” should read “Officer Capps went to Housing Unit B...” On page 11, the time of the medical assessment should be “2:10 p.m.” not “2:10 a.m.” Also on page 11, Plaintiff objects to the statement that he “was escorted from the dorm to the hospital holding cell by Officer Tyus.” According to Plaintiff’s objection, Defendant Johnson escorted him to the holding cell. In his response to summary judgment, Defendant lists a number of officer who escorted him to the holding cell, including Tyus, “Sgt. Johnson”, and CO1 Johnson, among others. (Pl.’s Rsp. 2, Doc. 52.)
