ORDER

After due and proper consideration of the issues raised, and there having been no objections filed, the Recommendation of the Magistrate Judge made under 28 U.S.C. § 636(b)(1)(B) dated January 7, 2016, is **ADOPTED** as the opinion of this Court. Plaintiff's Motion for Leave to File an Amended Complaint (Doc. 16), filed after the Report and Recommendation was issued, is **DENIED**, as the Court finds that the additional facts proposed in the motion do not change the opinion expressed in the Report and Recommendation, which the Court adopts.
