15 **MOTION TO ACCEPT OVERLENGTH BRIEF**

16 Pursuant to Local Rule 10.1(m), the Plaintiff moves the Court for permission to file the
 17 Motion for Preliminary Injunction with 38 pages. The complexity of the legal issues raised in
 18 this matter, and the need to thoroughly brief the matter for the Court, required more than the
 19 standard 25 page limit available for routine motions. Every effort to reduce and edit the
 20 motion was made so that it was not repetitive and that each argument was as thorough as
 21 required under the circumstances without being redundant.
