Before the Court is Plaintiffs' Motion for Extension of Time to File a Response to Defendant's Motion for Summary Judgment (Dkt. 77). On October 20, 2008, the Court granted the United States' motion to file exhibits by non-electronic means in support of its motion for summary judgment because certain exhibits were illegible. Plaintiffs allege that they have not completed review of the motion and documentary evidence by the time a response is due on October 27, 2008. In addition, Plaintiffs allege that they are in the process of obtaining certain evidence located outside of the United States. Therefore, Plaintiffs request additional time to respond to the motion for summary judgment. Counsel for Defendants does not oppose this request. Good cause appearing,
