ORDER

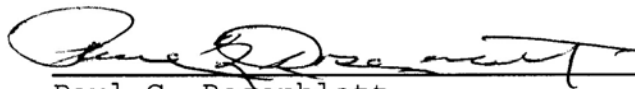

15 Currently before the Court is Petitioner’s Motion to Reinstate his § 2254 Petition for
16 Writ of Habeas Corpus. (Doc. 26.) Petitioner explains that his reasons for motioning the
17 Court at this late stage are because (1) he was “being moved around and did not receive the
18 order in time which to file objection to the recommendation,” (2) he was “in an open yard,
19 though is now in a solitary confinement, unable to receive his legal work or property and
20 unable to contact court without proper case number in the required time due to these
21 unfortunate moves,” and (3) “upon review of the docket numbers, there are missing
22 documents, this inable [sic] him to be provided with all the proceedings to file any rebuttel
23 [sic] on the Petitioner’s behalf.”

24 Petitioner filed the pending motion one year after the filing of the Report and
25 Recommendation and eleven months after the entry of judgment adopting the Report and
26 Recommendation denying Petitioner’s writ of habeas corpus. At no point in time did
27 Petitioner file a motion for extension of time to file his objections. Furthermore, Petitioner
28 made no effort to contact the court over the last year, and he has failed to establish good

1 cause, under the law, as to why this case should be re-opened. Accordingly,

2 IT IS HEREBY ORDERED **DENYING** Petitioner's Motion to Reinstate his § 2254
3 Petition for Writ of Habeas Corpus. (Doc. 26.)

4 DATED this 1st day of November, 2008.
