**JOINT CONSENT MOTION TO

 SUMMARY JUDGMENT MOTIONS
 AND RESPONSES**

The Honorable David G. Campbell

26 Third-Party Plaintiffs,

27 vs.

28 **MICHAEL DONNELLY, an individual**

1 Third-Party Defendant

3
4 The parties respectfully request that the Court extend the page limit under
5 Local Rule LRCiv 7.1(b)(1) for motions from seventeen (17) to twenty-five (25)
6 pages for the parties' respective dispositive motions for summary judgment, which are
7 due on Friday March 21, 2008.

8 The parties jointly request the extension because of the complex nature of the
9 issues and underlying facts presented, the multiple counts involved, and the fact the
10 motions address both liability and damages. The parties have conferred at length and
11 attempted to narrow the issues to the extent possible, and both believe that extending
12 the page limit will ensure the facts and issues are clearly and fully presented. For the
13 above reasons, the parties believe the request is not excessive or unreasonable.

14 Neither party expects the need to request further extensions of page limits in
15 connection with their Replies or subsequent motions.

16 WHEREFORE, the parties jointly request that this Court enter the proposed
17 Order filed concurrently herewith to extend the page limits for summary judgment
18 motions and responses to twenty-five (25) pages.
