I will be appearing before you in the near future. This letter incorporates what I would like to say to your Honor. Your Honor I would greatly appreciate it if you would take into consideration the following factor when determining my sentence. Rite in the offence Request for time serve for Low Term which is just punishment for my action. On immigration charges.

I would like to take this moment to apologize to your Honor to this court. The government for my action that brought me before you. For the embarrassment, and heartache that I have caused.

but not time. Committed any felonies, and do take responsibility for administrative charge is and other civilians and the U.S. soil of America. This experience has been a wake up call and we opened for me to see how easy I can loose my freedom for an extended of time. I will take control of my life and actions.

I thanking you and advise thought and consideration
