Subject: Maria Crimi Speth Extortion

Ok Maria.

Here is the deal. We were not doing crap to your beloved ripoff report for the last couple of months. You took that as weakness and fired a shot across our bow. Now we have fired one back. Make no mistake about it. We WILL sink your battleship. This will include postings on each partner in your firm individually with Blogs, Message boards. press releases and emails to a very large list of Phoenix business and national law firms. Your firm will be a laughing stock. If you want we can go back to shutting down your ripoff report again. The reason it is up is because we beat its rank down enough to get links above it. You must be dumb as a rock to you think you can throw your weight around. Did you not get the point last time? Maria I promise you are barking up the wrong tree. As soon as I hear from you that you will stop making threats the sites come down. If you keep barking then we will do what we do best.
