IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

GLOBAL ROYALTIES, et al.,

Plaintiffs,

vs.

Xcentric Ventures, et al.,

Defendants.

No. CV-07-956-PHX-FJM

ORDER

The court has before it defendants' motion to dismiss (doc. 10) which exceeds the page limits imposed by LRCiv 7.2(e). It was unaccompanied by any motion showing good cause to exceed the page limits. Accordingly the motion to dismiss is stricken (doc. 10). Defendants shall have to and including August 10, 2007 within which to file a motion to dismiss in compliance with LRCiv 7.2(e).

Also before the court is a stipulation to extend plaintiffs' response time to the motion to dismiss to August 10, 2007. We assume that an edited version of defendants' motion to dismiss will not be substantively different. Accordingly, we GRANT the stipulation to extend plaintiffs' response time to August 13, 2007. This will at least give the plaintiffs an opportunity to review the new filing before filing their response.

DATED this 3rd day of August, 2007.

Frederick J. Martone

Frederick J. Martone
United States District Judge
