Complaint

"CAMPAIGN FINANCE FRAUD"
 "PRO TEMPORARY RESTRAINING ORDER"

Comes now the Plaintiff, Jonathan Lee Riches[©], of Friends of Jonathan Lee Riches, in pro-se, Moves this Honorable court to issue an order for Defendants named in this suit to respond. This suit is brought under qui tam False Claims Act. Along with crimes Defendants committed pursuant to violations of campaign finance laws to 527 groups, violation of the Campaign reform act, 18 USC 371 conspiracy, violations of soft money contributions, Federal tort claims acts, money laundering, wire fraud, and Public corruption. Plaintiff moves this Honorable court to issue a PRO Temporary Restraining Order Against Defendants forbidding them under the Bipartisan Campaign Reform act of 2002, and other federal campaign finance laws from taking campaign funds from the American people along with funds from the U.S. Government collected. Plaintiff seeks \$25,000,000.00 to be returned to public donors who donated to John McCain since 1999, as their money went to McCain's lavish lifestyle. I'm entitled to this relief under the Whistle blowing act. Plaintiff requests a Jury Trial. Plaintiff pays for Declaratory Injunctive relief.

1

Senator John McCain has been involved with Election fraud since 1999. He has been stealing Public money and using it for his own personal use for him and his family members that are named Defendants

2

In 1999 & 2000 when McCain was campaigning across the U.S. for the Presidential Election, he was soliciting and collecting funds from American people and corporations, but those funds had nothing to do with his election.

~~McCain used the funds in his war chest in 2000 to buy a house in Phoenix.~~

McCain collected over \$35,000,000.00 Million in a 2 year time frame. In Nov 2000, McCain bought a pool at his Arizona home, he bought expensive Van Gogh Art along with a wine cellar with rare 1980 wine. Over 3,000 bottles McCain has collected from Election Funds

3

McCain used Federally matched funds in 2002 to send his Daughter Meghan McCain to Columbia University these funds were suppose to be for Election purposes.

4

McCain used Federal matched 527 groups and Federal funds to send his son Doug McCain to Flight School. Doug later became a pilot for American Airlines

~~John McCain then would claim tax exemptions from the Internal Revenue~~
code 26 USC 527. This is a Fraud on the American People

5

John McCain has fraudulently sent his son John Sidney McCain (Jack) to the Naval Academy with pocket money from McCain collecting in the States from American people. McCain's son is also a convicted felon, and falsified documents. I compel this court to look into his sons background

6

John McCain uses Americans donations to his party for the 2008 Election for personal use. McCain treats him and his family to expensive clothing like

Louis Vuitton and Prada. McCain's wife shops at Saks 5th ave for

Shoes and under a secret clothing. The public does not know this. The public is being deceived. For many years McCain has been accepting donations from convicted felons and child molesters.

1

John McCain uses Federally matched Funds from his Election campaigns and uses the funds to pay for Adult web sites on the internet. McCain also buys bottles of Jack Daniels. This is a huge fraud. His funds are suppose to go to his campaign instead he is defrauding me.

2

McCain set up illegal tax shelters with KPMG LLP managers who are currently on trial for tax fraud. In 2001, 2002, and 2003 McCain would hide his money through KPMG with Riggs Bank of Washington D.C., then wire it to a shell account in the Cayman Islands. McCain then would use his Federally matched campaign funds through the McCain-Feingold act and go to the campaigns while on Govt. duty to collect his illegal tax money. This behavior needs to stop. I'm hurt that McCain would lie to the people, steal Americans money, cheat his taxes, then try to run for president. John McCain was never a POW in the 1970's, this is a sympathy story to get voted by the American people. I learned from all this fraud from Duke Cunningham, Bob Ney, and James Trafletant who I'm incarcerated with at FCI Williamsburg. They told me about McCain's fraud. My life is in danger from McCain. I move for a restraining order to stop McCain from stealing from the American people, and to stop John McCain and his children from coming to FCI Williamsburg to kill me because I exposed them under the whistle blowing act.
