24 ² Plaintiff is reminded that the amended complaint may not incorporate by reference
25 any part of the original complaint, and it supercedes the original complaint. Accordingly,
26 permitting Plaintiff to file an amended complaint will preclude Plaintiff from proceeding with
27 his claims against Defendants Arpaio and Preston, as his complaint does not state any basis
28 for liability or any factual claims regarding the aforementioned defendants, that is, absent
further pleading to again amend his complaint.
