DURASOIL®

Ultra-Pure Synthetic Organic Dust Control Agent

Product Information

Product Description

Durasoil™ is a revolutionary state-of-the-art innovation; engineered for today's challenging dust control needs. This ultra-pure, synthetic organic fluid is formulated to meet the highest standards of environmental efficacy. Durasoil is distinctively crystal clear, odorless and is applied neat and simple, without the need for water dilution. This technologically advanced fluid does not cure, allowing for immediate use upon its application. Furthermore, Durasoil has the unique ability to be reworked and still maintain its dust controlling properties. Any equipment capable of spraying water can safely be used to apply Durasoil without any mess or damage to the equipment. Even in freezing and wet conditions, Durasoil can still be applied regardless of weather conditions or season. Durasoil can be applied to any soil or aggregate and effectively suppress dust all year round. Form intense-use military tank trails to gravel driveways, Durasoil is actively solving dust control challenges throughout the world's industrial, military, commercial and residential markets.

Product Advantages

Colorless Crystal Clear Fluid

PM-10 & PM-2.5 Regulation Compliant
(eliminates dust particles of 2.5+ microns in size)

Simple, Neat & Easy to Apply

No Curing Time for Immediate Results

(800) 545-5420 Toll Free

Exhibit: *12*
 Witness: *Mr. Kelly*
 Date: *4/10/08*
 Linda Blackmon CR 58839

Can be Applied in Freezing & Wet Conditions

Ecologically / Environmentally Safe
(Safe for Humans and Animals)

Actively Reworkable & Self-Healing Performance

Cumulative Effect with Maintenance

Self-Penetrating and Self-Wetting Properties

Ultraviolet Ray Resistant
(will not break down from sun)

Non-Dissipating
(Will not wash away with rain or water)

Non-Corrosive & Safe for All Equipment

Effective Indoors & Outdoors

100% Ultra-Pure Active Ingredients
(No Mixing & No Diluting)

Vegetation Safe
(will not harm Plant Life)

Non-Slippery

Non-Regulated for Transportation
(land / sea / air)

Non-Tracking & Non-Transferable
(will not stick to tires or objects)

Odorless

Oil-Sheen Free

Non-Volatile
Non-Flammable

Non-Hazardous
Non-Toxic
