The Court previously called for additional briefing from Plaintiffs' and Defendant
25 USAPA's counsel on the subject of expert discovery. [Doc. # 494.] That briefing having
26 been filed [doc. ## 496-97], the Court will now set a schedule for expert disclosures in the
27 damages phase of this case. In the Court's view, it is most fair for the party with the burden
28 of proof to disclose experts first, and so Plaintiffs' request for simultaneous disclosures will

1 be rejected. At the same time, the schedule will conclude several days earlier than USAPA
2 suggests to provide more time for both sides to prepare for trial.

3 IT IS ORDERED that both parties shall supplement their Rule 26 disclosures to
4 address witnesses, exhibits, documents, and potential areas of expert testimony by June 15.
5 Plaintiffs shall disclose the identity of, qualifications of, and report by, any expert witness
6 not later than July 1. Defendant shall disclose the identity of, qualifications of, and report
7 by any expert witness not later than July 15. Plaintiffs shall disclose the identity of,
8 qualifications of, and report by, any rebuttal expert witness not later than July 22.

9 DATED this 1st day of June, 2009.
