Defendant JOSE ANGEL SANCHEZ-CASTANEDA by and through undersigned counsel, respectfully moves this Honorable Court for an Order extending the deadline for continuing the trial date presently scheduled for April 1, 2008 for a period of forty five (45) days subject to the Court's calendar and for the foregoing reasons.

Defendant and Counsel, having met again in preparation for the upcoming trial, discovered that there are several items which will require more investigation, and more time to properly prepare for trial. This preparation includes, among other things, the defendant's personal review of information contained on several of the CD's currently in possession of the undersigned.

Additionally, although not a major factor, a recent conversation with the prosecution included the possibility of a disposition of this case short of trial.

Undersigned counsel avows that he has contacted the Assistant United States Attorney assigned to this matter, Lynne Ingram regarding his position to this motion and Ms.Ingram does not have any objection the relief being requested herein.

This Motion is made in good faith and will serve the public's interest in that providing Defendant with effective representation is necessary to insure fairness and protect the Defendant's constitutional
