Re: DMCA Notification of Copyright Infringement at IP address: 208.106.192.27  
December 18, 2008 at 11:00 a.m (EST)

Dear DMCA Designated Agent or Network Administrator:

We are contacting you on behalf of the Motion Picture Association of America ("MPAA") and its member studios ("MPAA member studios"). The MPAA member studios are the owners and exclusive licensees of copyrights in and to a significant number of motion pictures and television shows. Under penalty of perjury, we submit that we are authorized to act on behalf of the MPAA and the MPAA member studios in matters involving the infringement of their motion pictures and television shows, including enforcing their copyrights and common law rights on the Internet.

We believe a customer of CrystalTech Web Hosting Inc., whose website is hosted by CrystalTech Web Hosting Inc., is engaged in extensive copyright infringement of motion pictures and television shows whose copyrights are owned by or exclusively licensed to the MPAA member studios. That customer is operating a website, Catchmovie.com, at the IP address 208.106.192.27 (the "infringing website"). The website offers pirated DVDs for sale, thereby infringing and facilitating the infringement of thousands of the MPAA member studios' copyrighted works, in violation of the Copyright Act and longstanding principles of inducement, contributory, and vicarious liability under the copyright laws. We have attached documentation concerning the above-described infringement including a representative list of motion pictures that are being infringed by the infringing website and information sufficient to enable you to identify the website operator. We have a good faith belief that the above-described activity is not authorized by the copyright owners, their agent, or the law.

We are asking you for your immediate assistance in stopping this unauthorized activity.

You should understand that this letter constitutes notice to you that this website operator may be liable for the infringing activity occurring on your system or network. In addition, if you ignore this notice, you and/or your company may also be liable for any resulting infringement. This letter does not constitute a waiver of any right to recover damages incurred by virtue of any such unauthorized activities, and such rights as well as claims for other relief are expressly
