4 RONALD ANTHONY SISSONS,

5 a witness herein, having been first duly sworn by the

7 truth, was examined and testified as follows:

8
9 EXAMINATION

10 BY MS. STEWART:

11 Q Can you state your full name for the record,
12 please?

13 A Yes, my full name is Ronald Anthony Sissons,
14 and that's spelled S-i-s-s-o-n-s.

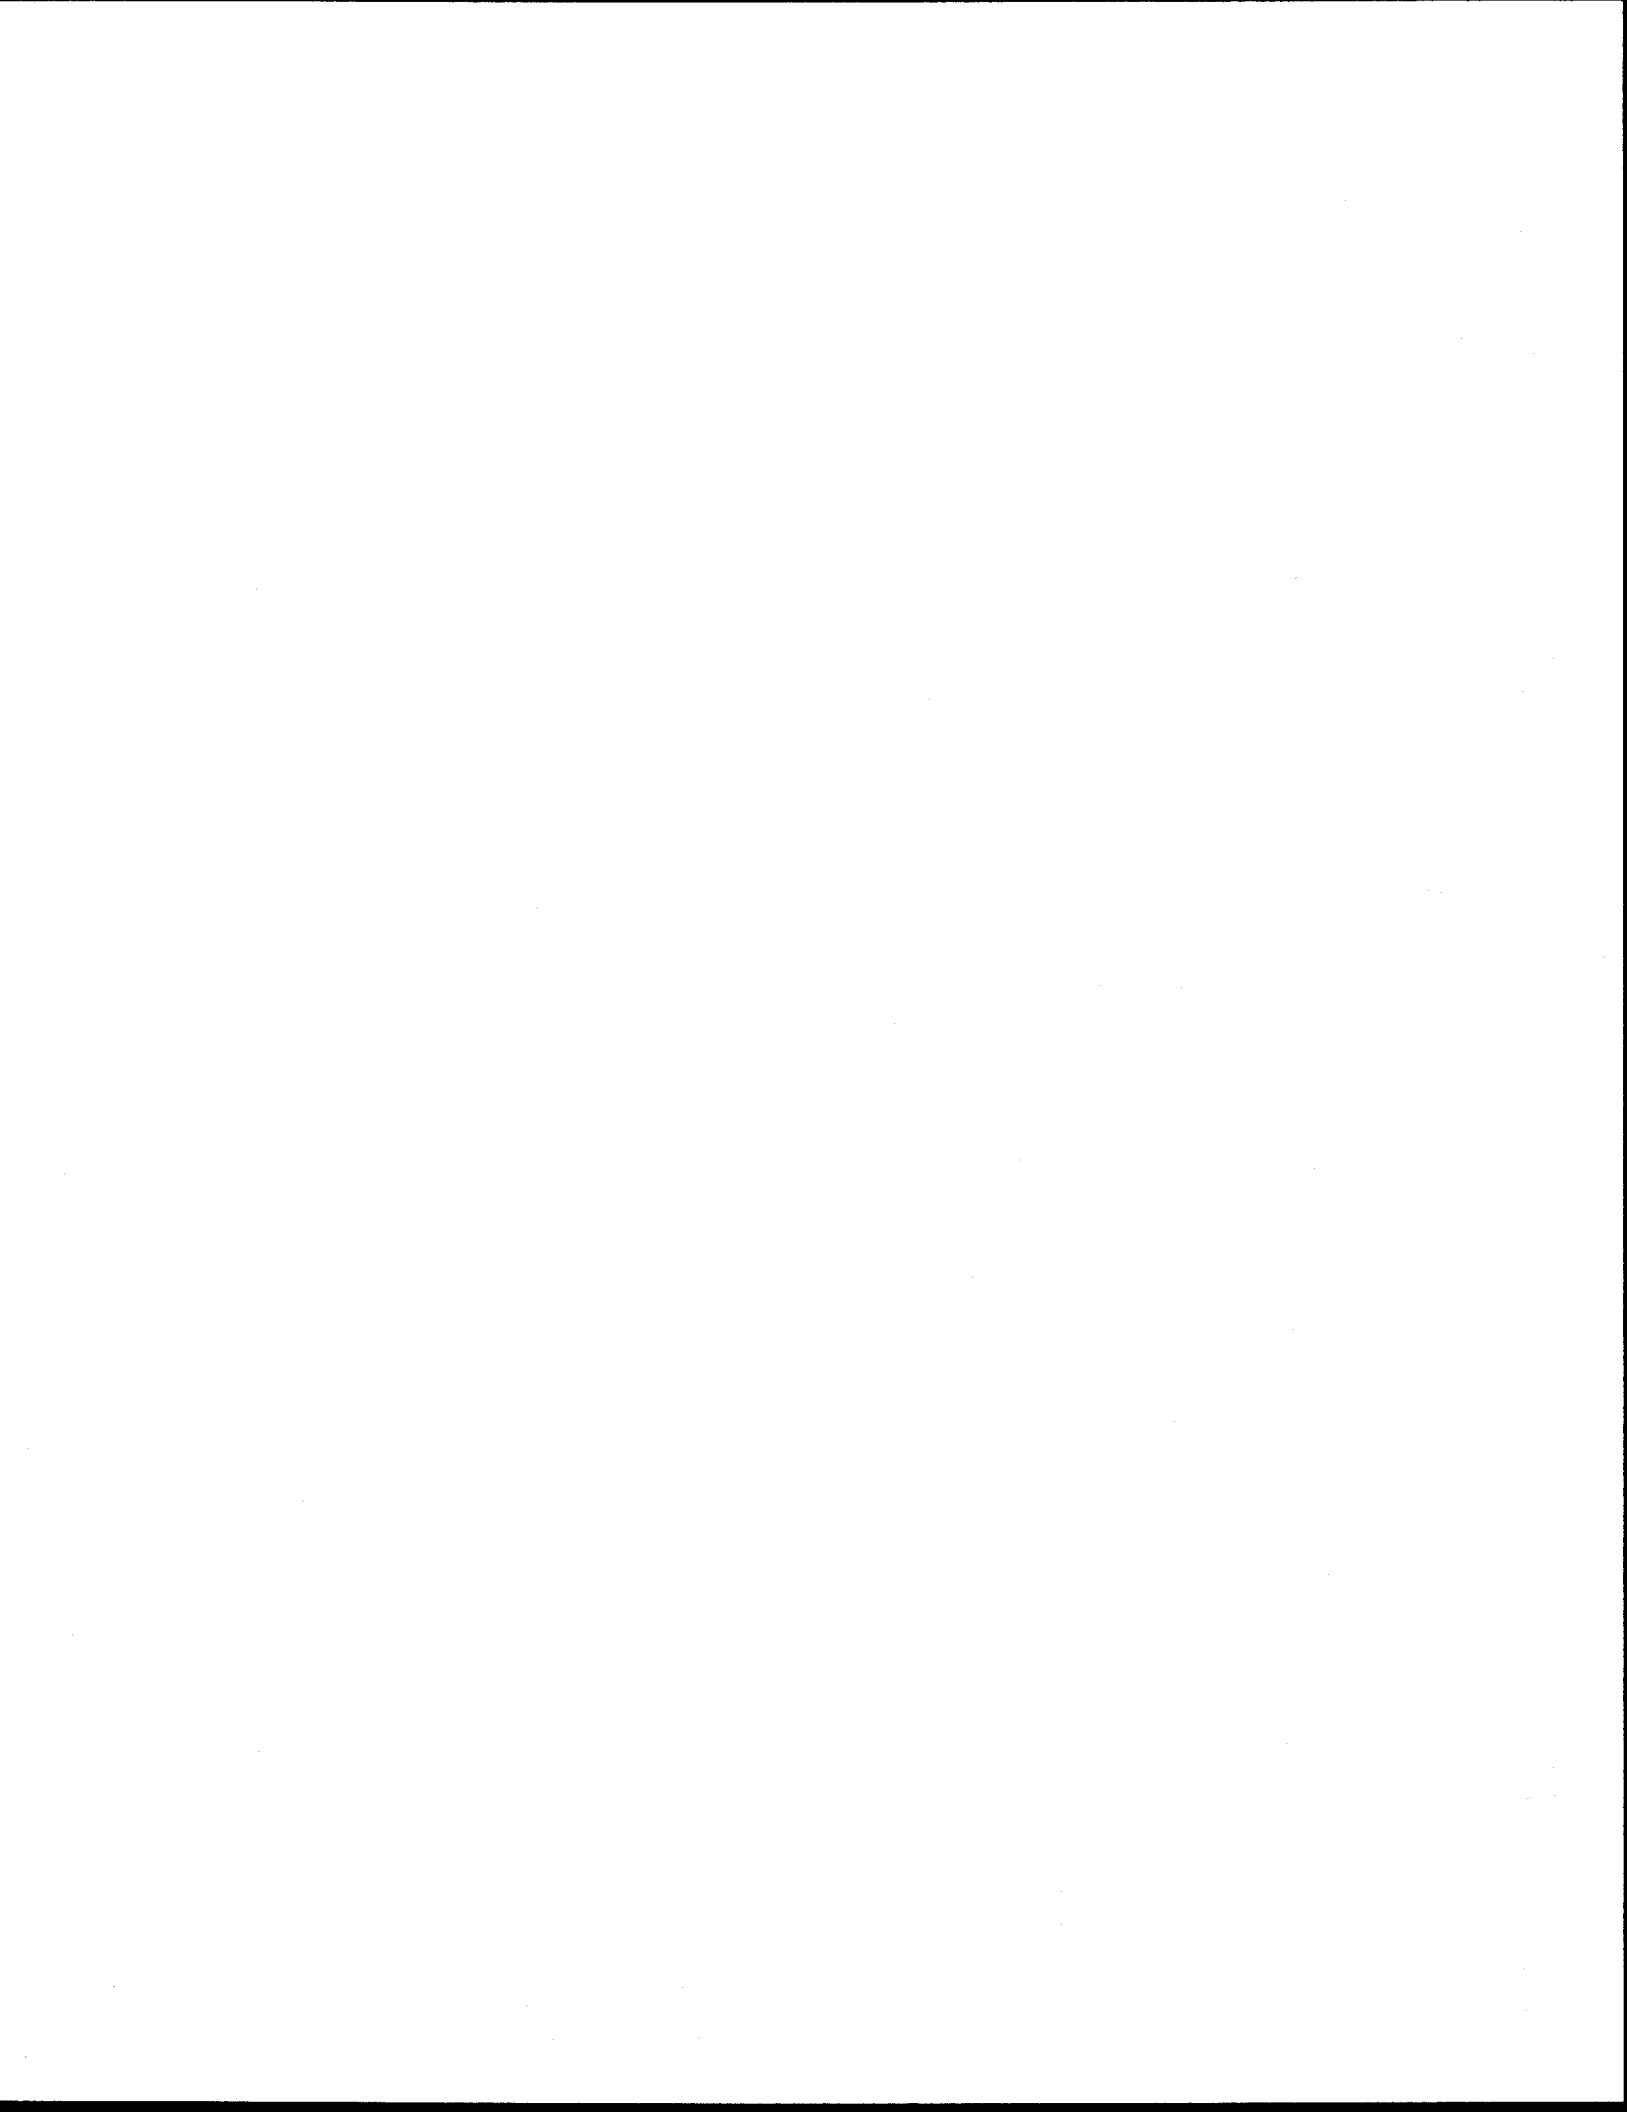

10:08 15 Q Thank you. May I call you Mr. Sissons?

16 A Or Tony.

17 Q Or Tony. I introduced myself before we got
18 started. My name is Cathy Stewart. I'm Assistant
19 Attorney General representing the Secretary of State in

11 heard you concede that you recognize that that is not
12 what they were able to produce given the limitations on
13 matching two databases?

14 A I understand that.

12:49 15 Q So to the extent that you used a 12.6 figure
16 stated as the number of registered voters -- I'm
17 sorry -- what did you use that 12.6 percent figure for?

18 A That of the calculated number of voting age
19 citizens eligible to register today, about 12.6 percent
12:50 20 lack a driver's license or nonoperator identification
21 card.

22 Q And you're citing that as, I guess, a
23 scientifically based conclusion based on the
24 information in --

12:50 25 A I would not characterize it as a
