No. CIV 09-2179-PHX-RCB
O R D E R

On March 13, 2012, this court allowed plaintiff *pro se* James K. Trueman to "conduct limited discovery" within the parameters enumerated in that order. See Ord. (Doc. 34) at 3:5-26 - 4:5, ¶¶ (1)-(6). Plaintiff did not comply with the thirty day time for service and filing of the written questions which that order allowed. See id. at 3:9-12, ¶ (2). Consequently, as the court previously indicated that it would, due to plaintiff's non-compliance with that time frame, this case is **DISMISSED** without . . .

1 prejudice, subject to any statute of limitations defense. See id.

2 DATED this 17th day of April, 2012.
