19 **FACTS CAUSE OF ACTIONS**

20 **I. THE WORLD'S CONTINENTS WERE CREATED BY AND ARE OWNED BY THE ALMIGHTY ETERNAL CREATOR, NOT BY ANY GOVERNMENT OR GOVERNMENT LEADERS!**

21
 22
 23
 24 1. I, Mariette Do-Nguyen, a legal immigrant from Vietnam during the
 25 evacuation of 1975, sponsored by the United States government, became a
 26 U.S. citizen in June, 1982. I am the Almighty Eternal Creator's Messenger of
 27 Covenant, and founder and head of the Kingdom of Heaven in the earthly
 28 realm. Obeying the Almighty Eternal Creator's instructions, I act as His
 representative in the United States Federal Court, fill this Motion for Filing
 Third-Party Complaint, and seeking release.

1 a. The Almighty Eternal Creator is the sole legal owner of the
2 universe, planet, the earth, and everything above, below and on earth,
3 including all living creatures. As recorded throughout the Bible, He created
4 me as His Messenger of Covenant for carrying out His ongoing creation of the
5 earth and all living creatures, including human souls and humans on earth.

6 b. The Almighty Eternal Creator is the Master of all His creations,
7 and He has His laws for governing all the creatures He made, including all the
8 human population on earth.

9 c. The Almighty Eternal Creator's Messenger of Covenant is the co-
10 Creator of humans souls with the Second Person of the Holy Trinity, the
11 Messiah, who physical body was Jesus of Nazareth. Messenger of Covenant
12 and Messiah are two portions of the Almighty Eternal Creator, Second and
13 Third persons of the Holy Trinity, who are fully Almighty Eternal God and fully
14 human, male and female, that all human souls male and female created in the
15 Messiah and Messenger of Covenant's divine souls. Genesis 1:26-27. Exhibit
16 A. (Explained creation of human souls.)

17 d. The Messenger of the Covenant was revealed and recorded
18 throughout the Bible. Details and symbols are given in chapter 3 of Malachi,
19 chapters 14, 15, and 16 of John, and half of the Book of Revelations.

20 e. My fillings with the United States courts are instructions given to me
21 by the Almighty Eternal Creator. These instructions are recorded throughout
22 the Bible, but they are new to the United States government and judicial
23 systems, because people lack the understanding of the Almighty Eternal
24 Creator's identity and His law, as well as His authority over humans on earth.
25 Therefore, I am acting pro se until further notice to the court, until someone
26 on earth comes forward to accept representation of the Almighty Eternal
27 Creator in my place.

28 f. I am a Messenger of Covenant! I came from the Almighty Eternal
Creator in the world for do His will, and I must return to Him after I
completed assignments He vested to me!

g. I am not a religious individual! I do not belong to any religions or
Christian denomination. My physical body was born of Roman Catholic
parents, but the Almighty Eternal Creator removed me from the Roman
Catholic Church in February of 1999. He also threatened me at that time, if I
refused to terminate belong to the Roman Catholics, the San Diego Diocese
Bishop would excommunicate me, because I do His will.

2. Regardless what people believe, the fact is the Almighty Eternal
Creator made all the planets, the earth, and everything above, below, and on
the earth, and all living creatures, including humans. **The Almighty Eternal
Creator is the sole owner of all His creations.** The world's governments and
their leaders did not and never will become the owner of their countries'

1 lands.

2 a. Global government leaders and officials are public servants! Voters
3 elect them, and the elected officials appoint or hire others to assist them in
4 carrying out services to public.

5 b. Legislators are not the owners of the country where they provide
6 public services. The Almighty Eternal Creator is the sole owner of the land of
7 the country where they provide services. It means legislators only have
8 authority to pass laws according to the Almighty Eternal Creator's laws.

9 c. Again, Federal and State government leaders and officials are not
10 owners of the land where they provide services to public. They must comply
11 with their countries' constitution that voted by people, federal and state laws
12 legislated by Legislative Branch! Legislative Branch and government elected
13 officials must never pass violate the United States Constitution!

14 **II. THE ALMIGHTY ETERNAL CREATOR IS AN ALMIGHTY ETERNAL**
15 **SUPERNATURAL POWER, AND HAS A RELATIONSHIP WITH HIS LIVING**
16 **CREATURES.** Exhibit A (Explains the facts of the Almighty Eternal Creator's
17 identities and His creation of humans on earth)

18 3. The Almighty Eternal Creator communicates directly with my
19 divine soul through my dreams and His words. All the issues He revealed to
20 me, or services He asks me to act on, are already summarized in the holy
21 Bible.

22 a. I am compiling a series of books entitled the Mysteries of God
23 Revealed to Man. These books contain the communications given to me by the
24 Almighty Eternal Creator. I am also acting on them exactly according to His
25 instructions. He has asked me to deliver warnings to government and
26 religious officials, and file petitions for any anything, as well as heal people of
27 mental illnesses and physical diseases. It is not for me to say whether or not I
28 like the issues he gives me. I must deliver or act on the issues exactly how He
instructs me. But because He Himself is within me, using my services, I
normally agree with the issues revealed to me.

Example: Back in the years 1994 and 1995, I responded to Him, "I do
not like politics, and I am not going to have anything to do with politicians!"
Another time I said to Him, "The pope and many religious leaders have tried to
unify the church, and they were unable to do so. I do not even know the
Bible, why don't you ask a priest or nun to do that for you?" He immediately
replied to me, "I do not want a priest or a nun! I want you to do these things
for me!"

b. The instructions of filing this plea with the U.S. District Court in
Phoenix Arizona, with details of documents attached to the pleading, were

1 given to me by the Almighty Eternal Creator the week after Arizona legislators
2 passed the Immigrant Law. He said the U.S. Federal government officials
3 would sue the State of Arizona banning enforcement of the Arizona
Immigration Laws.

4 4. The Almighty Eternal Creator created all things. Human carnal
5 eyes are unable to see the Almighty Eternal Creator. He is the source of
6 creation and the sole energy supply for our human souls. Our souls generate
7 energy for our minds and physical bodies functioning. When the Almighty
Eternal Creator changes His energy supply for human souls leave the physical
human body. At this time the soul departs the body, and is the time of death.

8 5. Before conception, all human souls receive energy directly from the
9 Almighty Eternal God. After the time of conception, there are two kinds of
10 energy feeding human souls. If an adult lives a life of holiness, he receives
11 pure energy directly from the Almighty Eternal God. An adult who is a slave to
12 sin also receives energy from the Almighty Eternal God, but through the
13 control of the devil. It means the devil adds his evil energy before it is
delivered to souls, which causes people to do evil things. If the pregnant
mother lives a life of holiness, unborn baby souls receive energy directly from
the Almighty. If the pregnant mother choose to sin, the unborn babies receive
bad energy.

14 The only difference is people who live a life of holiness receive pure
15 energy (Spirit) from the Almighty Eternal God. When people do evil, energy
16 also comes from the Creator, but it is under the devil's control, because
17 people who do evil choose by their free will to be a slave to sin and be under
the devil's control.

18 **III. VIOLATIONS BY UNITED STATES FEDERAL GOVERNMENT**
19 **LEADERS CAUSE DESTRUCTIONS UPON AMERICAN TAXPAYERS --- THE**
20 **WASHINGTON GOVERNING SYSTEMS AND ENFORCEMENT OF U.S.**
21 **CONSTITUTION AND FEDERAL LAWS IS BADLY BROKEN IN A MILLION**
22 **PIECES.**

23 6. This section is solely to show proof the United States Federal
24 government leaders and high-ranking officials lack the ability to publicly
25 enforce Federal Immigration laws! My plea contains criminal evidence about
26 other cases not related to immigration. The evidence of these serious felony
27 crimes is proof for the Court to understand how United States Federal
28 government leaders and high-ranking officials are heading our country toward
destruction. It meant their evidences filed in this Court only words without
action in the past, and will not become action in the future.

7. These leaders are abusing the authority of their position in suing
the State of Arizona and its Governor, prevent the State of Arizona's
Immigration law in effect is for Washington Federal government leaders

1 **rewarding** illegal immigrants, who **broke the United States Federal**
2 **Immigration laws.** Now the federal law punishes U.S. citizens who are
3 sponsoring parents and or siblings, and punishes foreigners who comply with
4 the United States Federal Immigration laws and are waiting in line for an
5 interview to get immigrant's visa.

6 8. The United States Federal government's suit to prevent Arizona's
7 Immigration law going into effect is an action where they publicly or indirectly
8 tell American citizens and the global public, "Hey, we are the United States
9 Federal government leaders and officials! We are breaking our own Federal
10 government immigration laws! We are telling foreigners that you do not need
11 to apply and stay in line for an immigration visa to come to our country! You
12 just come on in illegally; we will abuse our Federal government position and
13 protect you by provide you sanctuaries for live in our country illegally or will
14 violated our country's laws like you and give you amnesty!"

15 9. Many hundred thousand or many million people have complied
16 with the United States Federal laws, waiting in line for years to immigrant in
17 United States legally, but have never received approval. The former U.S.
18 President Ronald Regan punished them for complying with the United States
19 Federal immigration laws, for he rewarded illegal immigrants with amnesty! In
20 fact, my sister and her family were punished because they waited in line to
21 come to the United States and never got interview by the United States
22 Immigration Department.

23 10. I worked for the United States Defense Attaché Office as a local
24 employee in Vietnam. The United States government brought me and my
25 immediate family to the United States during the fall of South Vietnam in
26 April of 1975. My father was killed by communist soldiers in the battlefield; my
27 mother died because our town was bombed on April 29, 1975, she run away
28 from rockets, fall and died. I left my only living sister and her family back in
Vietnam.

a. I began sponsoring my sister, her husband, and their minor children
while I had a resident green card. After I became a U.S. citizen in June 1982,
(seven years after coming to this country) I updated my U.S. citizenship status
with the U.S. Immigration and Naturalizations Department. It took thirteen
years for Immigration to inform my sister about an interview.

b. I was my sister's and her family's sponsor, but the U.S. Immigration
Department in Bangkok, Thailand did not notify me about the interview.
Instead, based on a telephone conversation with my sister and her husband,
they told me they received a letter from America called for an interview. I had
just gone on disability; I did not have enough income to show on paper that I
could financially qualify for them to come to the USA.

c. Because the United States Immigration Department did not notify
me, I did not know about the interview details of the above limitation.

1 Therefore, I believed if I waited until I returned to work, then I could show on
2 paper that I qualified financially to bring my sister and her family into the
3 United States as legal immigrants.

4 d. Two years later, when my health condition was better, I contacted the
5 United States Immigration Department overseas in Bangkok, Thailand. First I
6 called the Department of State in Washington, spoke to an officer, and she
7 gave me the address for Immigration in Bangkok. I wrote to them, and they
8 told me the notice of visa available for my sister and her family was only good
9 for one year, and they destroyed my sister's and her family's record. I needed
10 to reapply for them. I did not reapply for the reason it would take another
11 thirteen years, by that time I might be dead. In addition, all her children
12 would no longer be under 21 years old.

13 11. I understand the Almighty Eternal Creator's laws very well. I do not
14 know all the United States Federal laws. Many of the United States Federal
15 government laws are very destructive to human souls and bodies, harming
16 the Almighty Eternal Creator's creations.

17 a. The Immigration Reform and Control Act of 1986 was recommended by
18 former President Ronald Reagan. This act abused the power of his office by
19 rewarding illegal immigrants (who broke the United States Federal
20 Immigration laws) with amnesty. This amnesty punished foreigners who were
21 waiting for immigrant visas, as well as U.S. citizens who sponsored parents
22 and siblings.

23 b. I have heard from news broadcasts, since the Immigration Reform and
24 Control Act of 1986, illegal immigrants in the United States in this year 2010
25 number over thirteen million people. It proves the United States Congress and
26 former President Ronald Reagan abused their authorities and committed
27 massive white collar crimes, which are prohibited in Section 8, USC 1324.

28 12. The crime violating Section 8 USA 1324 since 1986 is as follows: the
United States Congress, President Reagan and later presidents did not and
have not secured the borders or enforced Federal Immigration laws in Section
8, USA 1324. They silently allowed another thirteen million people (violating
Federal Immigration laws) to come into the United States of America, who
don't pay income taxes yet receive benefits from American taxpayers. With
them has come a heavy increase in drug trafficking, robberies, violence,
murder and other felony crimes.

13. Former United States President George Walker Bush and his
Administration were pro-war and feared losing control over American
taxpayers and global government leaders. They violated the constitutional
rights of innocent U.S. citizens by illegally issuing secret administration
subpoenas to the SWIFT Corporation, for the CIA monitors overseas banking.
While the CIA was monitoring the overseas banking, they abducted an
innocent United States citizen, Mariette Do-Nguyen's funds. My (Mariette Do-

1 Nguyen's) funds were hidden from me, the funds' legal owner. Then they
2 handed over my nearly half billion dollars to the ECOWAS organization.
3 ECOWAS official Chief Foreign Payment Department in Ghana is a terrorist
4 group, grand robbers and scammers. (ECOWAS is abbreviation for Economic
5 of West Africa States)

6 a. I am an innocent U.S. citizen who became a victim of President George
7 Walker Bush and his Administration's felony crimes of financial abduction,
8 which illegally handed over nearly a billion dollars to grand robbers and
9 scammers, who are terrorists. These terrorists attempted to murder me, a U.S.
10 citizen who held genuine legal rights to her monies, and try to using my
11 money to carry out waves of attacks on American soil.

12 b. The abduction and routing of nearly half a billion dollars to terrorists
13 from me was a crime by the CIA, who monitors overseas banking. The CIA
14 prevented ECOWAS returning funds to me, an innocent U.S. citizen; by they
15 attempted of scam of \$19,310 from me for issue fraudulent documents. CIA
16 intention was accused me, saying I, Mariette Do-Nguyen provided fraudulent
17 documents, for the FBI illegally seized my nearly half a billion dollars and
18 arrest me wrongly.

19 c. As an innocent U.S. citizen and federal crime victim, I filed many
20 complaints with U.S. Embassies in Benin and Ghana, with Senator Dianne
21 Feinstein, Senator Barbara Boxer, Congressman Brian Bilbray, the White
22 House, Justice Department, State Department, Director of United States
23 Office of Ethics, and the FBI. Seriously, the Federal government in
24 Washington is badly broken in millions of pieces! In response to complaining
25 of being a federal crime victim, these are the replies I received:

26 (1) The White House, Justice Department, and Senator Boxer never
27 responded to my complaints.

28 (2) Senator Feinstein's staff from San Francisco office called me, yelled at
me, and said to me, "The United States government cannot help you!"

(3) Congressman Bilbray was a little productive. They contacted the
Justice Department, but the final result was the same as Senator Feinstein,
that Congressman Bilbray's office cannot help me!

(4) The United States Office of Ethics in Washington never responded to
my original complaint, updated complaints, and a half dozen messages left in
their voice mail box explaining I was an innocent crime victim.

(5) U.S. Embassy Accra Ghana's federal employees told me, "Federal laws
prohibit Federal employees assist U.S. citizen private matter." While they
being pay by American taxpayers. Therefore, what they said to me was along
with CIA operatives of preventing transfer my fund to USA.

1 (6) As an innocent Federal crime victim, I went to the FBI San Diego
2 Division One and filed a complaint. The FBI agent told me an agent would
3 contact me, but they never did. I called the original FBI agent who told me
4 they would not open a case for the complaint. She told me, shed did of what
she told me, wrote a report and handed to supervisor. Supervisor is the one
who decided of not to investigate my complaint.

5 (7) My consistently of notify FBI of the evidences, two FBI agents
6 contacted me; the first FBI agent never returned my messages after the first
7 and only one telephone conversation. The second FBI agent came to my
8 residence on February 24, 2010. He heard my facts and received federal and
9 International felony crime evidences. He told me they would investigate my
10 complaint. Since February 24, 2010, I sent more evidence several times. I
11 talked to the second FBI agent on telephone in late June 2010, he said the
12 other agent was handling the case, but as of July 15, 2010, I have not
13 received a case number.

14 14. Here are some results of the United States Federal government
15 leaders and high-ranking officials abusing their authority, using taxpayer
16 dollars to carry out their evil agendas, bringing catastrophes and disasters
17 upon America:

18 a. Terrorists attacked America on September 11, 2001 and the Fort
19 Worth military base experienced a shooting rampage.

20 b. Hurricane Katrina flooded and badly damaged New Orleans, killing
21 people, leaving people without homes, and causing diseases and mental
22 illness and did not get assistance from Federal government in time, some still
23 have not able to rebuilt their lives.

24 c. In April, 2010, a BP offshore oil rig exploded. The resulting oil spill in
25 the Gulf of Mexico has lasted for more than two months already, and oil is still
26 gushing in the ocean. While people unable to works, mental illnesses occur ,
27 and no clean up properly. This disaster happened for these reasons:

28 (1) BP and oil companies focus too much on profit. Their negligence
has badly affected human lives. It has caused death to humans and sea
animals, and will bring long lasting mental illnesses and physical diseases on
American people for decades after the catastrophe.

(2) The real obstruction of justice and responsibility were the United
States Federal government officials, who have authorities over oil drilling.
They either did not do their duties correctly, or they received benefits from oil
companies and approved unsafe drilling practices.

(3) During the oil spill and after, the Federal government leaders and
officials injected their parties' political agendas. The result is absolutely no
one actually caring about people who are unable to work on the sea to earn a

1 living for them and their families, and mental illnesses result of oil spill.

2 (4) There is a lot of political talk without genuine force and service for
3 limiting damages to the Gulf of Mexico states' residents and American
4 people.

5 d. American taxpayers fund wars. Wars never achieve peace and
6 justice as well as prosperity. Instead, the result of wars is dead and wounded
7 American soldiers, wounded and dead foreigners including civilians, women
8 and children. Wars destroy foreign countries' structures. Wars generate
9 poverty, mental illnesses, physical diseases and cause suffering to victims.
10 Wars cause great felony crimes, which violate American taxpayers' freedom of
11 religion protected in the First Amendment of the United States Constitution:

12 (1) The Vietnam - American war killed over three million Vietnamese
13 people and fifty thousand American soldiers. A hundred thousand American
14 soldiers returned home badly wounded and suffering mental illnesses. Many
15 veterans are unemployed and homeless; over four million Vietnamese were
16 badly wounded or suffered mental illness, as well as living in poverty.

17 (2) The United States government evacuated the majority of its local
18 employees out of the country, without telling us the location where they were
19 taking us. The United States government evacuated its local employees (I am
20 one of them) without allowing our siblings and parents to come with us. They
21 intentionally separated us from our loved ones, parents and siblings.

22 (3) The United States Federal Immigration law allows U.S. citizens to
23 sponsor parents, children and siblings. In the case of my sponsoring my only
24 living sister and her family, it took thirteen years for U.S. Immigration
25 employees to send a notice to my sister for her interview. They did not notify
26 me. It took too long. While I was unable to work, my income did not qualify
27 me to sponsor them, and they called for the interview. Two years later, when
28 my income qualified for bringing my sister to the United States, they told me
they had destroyed her file. They told me to reapply, pay fees and wait another
thirteen years or maybe longer, because government leaders and officials are
just too busy rewarding illegal immigrants with amnesty.

(4) Our Vietnamese culture is very family oriented. Children take care
of parents when they are elderly, and siblings take care of each other.
Frankly, the United States federal government leaders and officials were
intentionally destroying our responsibility and duties to our parents and
siblings. It is a serious evil deed they served in favor of destructions!

(5) The United States Federal Government leaders and officials are
preventing children caring for their elderly parents, who gave them lives and
raised them. It places a heavy toll on taxpayers, causing poverty to many
elders who did not make a lot of money when they were young. They were
unable to save money. The result is elderly people living in poverty, with

1 mental illnesses and physical diseases.

2 e. American taxpayers' dollars were used to illegally fund war crimes.
3 The result is a heavy price upon leaders and officials. American taxpayers
4 must pay for justice.

5 f. The law of the Almighty Eternal Creator says justice for all must
6 prevail. In order for justice for all to prevail, there are always rewards for
7 victims, and punishments upon those who caused crimes. Those people who
8 caused war crimes people are various: United States Federal government
9 leaders and officials, soldiers, as well as American taxpayers who supported
and rejected wars. Punishments come in various kinds and sizes. Some are
catastrophic events upon those who committed crimes willingly and
unwillingly. They have to pay damages to victims. Crime victims receive
rewards of various kinds, sizes and ways.

10 15. The United States Federal government did not secure the national
11 borders, allowing illegal immigrants to enter American soil. They committed
12 crimes, such as the following:

13 a. Illegal immigrants broke the United States Federal Immigration's laws.

14 b. Illegal immigrants do not file and pay income taxes, while they receive
15 benefits from American citizens and legal immigrants' income taxes dollars.
16 That puts states in a deficit budget, such as the State of California is
17 experiencing. I heard last that the state was 14 billion dollars in debt,
18 resulting in cutting public school funding and layoffs of state employees.
19 State employees' unemployment results in business being down, mass
20 housing foreclosures, recession of the economy, and a high crime rate.

21 c. Illegal immigrants do not file and pay income taxes, yet the Federal
22 government uses taxpayer dollars to provide benefits to them. That adds to
23 the Federal government abusing their power for using taxpayers' dollars for
24 programs and projects that cause destruction or are unnecessary. The result
25 is greater government debt to foreign countries.

26 d. Illegal immigrants are unable to have long term or good employment.
27 They lack money and materials for their daily needs of living. Once anyone
28 hungry they must find whatever way for earn money for their food supply.
Illegal immigrants commit various and many crimes to get money, such as
trafficking illegal drugs, robberies, and murdering people for money. It is
exactly like in Africa - once they are poor, poverty forces them to commit
crimes for living.

29 The facts clearly show the entire Federal government leadership is full
30 of violations, lacking compliance with the United States Constitution and
31 Federal laws. They violated freedom of religion and U.S. citizen right's to me,
32 abducted nearly half a billion dollars from me, protected by the United States

1 Constitution. Their felony crime of abducted my funds also cost additional
2 about two million dollars from my saving and loans. They abused their offices'
3 power, rewarded illegal immigrants for violating Federal Immigration laws,
4 and punished foreigners for complying with Federal Immigration laws. They
5 violated Federal immigration laws preventing my right to sponsor my siblings
6 to the USA. Washington government leaders generate problems, not problem
7 solvers!

8 **IV. UNITED STATES CONSTITUTION ONLY APPLIES TO UNITED**
9 **STATES CITIZENS AND LEGAL IMMIGRANTS.**

10 16. The United States Constitution is only for U.S. citizens, because they
11 are the ones who vote to elect our officials!

12 17. Legal immigrants accept the Federal laws of immigration rules and
13 regulations, they benefit from the United States Constitution.

14 18. Illegal immigrants reject the United States Federal law of
15 immigration; they do not qualify for protection under the United States
16 Constitution and Federal Laws, because they rejected to Federal immigration,
17 they automatically indirectly refused to comply all other Federal laws and
18 Constitution. It is the matter of criminals lost their freedom after you got
19 caught of committed crimes and be in prison.

20 19. Second Amendment of the United States Constitution:

21 **“Well-regulated militia being necessary to security of a**
22 **free state, the right of the people to keep and bear arms**
23 **shall not be infringed.”**

24 “Security of a free state, the right of people to keep and bear arms
25 shall not be infringed” is exactly what is said in the Arizona Immigration law.
26 The intent is to keep Arizona free of crime and law breakers. Arizona’s
27 legislators bear arms of their State with Immigration law! Each and all United
28 States citizens have our right to protect ourselves; the right to bear arms is
the Second Amendment of the United States Constitution! The State of
Arizona legislators and Governor have their right to protect Arizona citizens
who they serve! Instead of bearing arms, they bear themselves with the
State’s immigration law, by passing the state’s immigration law and enforcing
it.

29 20. First Amendment of the United States Constitution:

30 **“Congress shall make no law representing an establishment of**
31 **religion, or prohibiting the free exercise thereof; or abridging**
32 **the freedom of speech or of the press; or the right of the**
33 **people peaceably to assemble, and to petition the government**

1 **for a redress of grievances.”**

2 The first amendment clearly prohibits Congress using American
3 taxpayer dollars for all programs that include wars that violate religious
4 beliefs and teachings. All religions that use, or are based on the old and new
5 testaments of, the Holy Bible know the Almighty Eternal Creator ordered
6 humans on earth, “You shall not kill!” (Exodus 20:13). He seriously meant
7 there is no one on earth who has the authority to kill another human being,
8 because no one on earth has the capacity and authorization of creation of the
9 human soul. (Without a human soul, there is absolutely no human physical
10 body.)

11 a. Killing another human for any reason is prohibited by the Almighty
12 Eternal Creator. It means the states in the union are prohibited from passing
13 laws using taxpayer dollars for programs that result in death, such as war,
14 abortion, and assisted suicide.

15 b. The result of Congress, Presidents and the Pentagon using taxpayer
16 dollars to fund war after war, killing millions of humans will come back upon
17 American taxpayers and descendants from generation to generation until the
18 full price is paid to victims. People must understand the Almighty Eternal
19 Creator’s justice for all must prevail at the end. As always, there are rewards
20 and punishments for all actions - as individuals, communities, cities, groups,
21 and nations of the world.

22 21. Ninth Amendment of the United States Constitution:

23 **“The enumeration in the Constitution of certain rights shall**
24 **not be construed to deny or disparage others retained by the**
25 **people.”**

26 a. Arizona has elected officials. The rights of voters are vested in their
27 elected officials. Legislators passed the immigration law and the governor
28 signed it. They present Arizona citizens with certain rights for bearing arms
for State law safety, peace, justice and prosperity. It means the Arizona
immigration law is protected under the Ninth Amendment of the United States
Constitution, the proof of protection showed in Federal Immigration and
National Act, Section 8 USC 1324.

 b. U.S. citizens’ right to our properties, such as our houses, bank
accounts in United States or in a foreign country are protected in the Ninth
Amendment of the United States Constitution.

 c. The former President George Walker Bush and his administration
pro-war agenda feared me. As an innocent U.S. citizen, my (Mariette Do-
Nguyen’s) nearly half billion dollars credit to my account in the United States
would be used to archive peace, justice and prosperity. Washington Federal
government leaders would have lost their control over American taxpayers

1 and global government leaders. Exhibit B (CIA Monitors Oversea Banking).

2 d. The CIA monitoring oversea banking abducted my funds and handed
3 it over to the ECOWAS organization. ECOWAS Ghana official and his
4 terrorists partners attempted to kidnap and murder me for my money. This
5 person, who is the head of Ghana's Foreign Payment Department, has his
6 terrorists, grand robbers and scammers, intending to use the funds for waves
7 of attack on America soil.

8 e. Based on instructions from the Almighty Eternal Creator, I refused
9 travel to foreign countries to avoid being murdered. I, (Mariette Do-Nguyen,) contact U.S. embassies in foreign countries. The CIA operatives worked in the
10 U.S. embassies, they insistently lied to me that my money did not exist. Then
11 the U.S. Embassy in Accra, Ghana lied to me, said to me, "Federal law
12 prohibits Federal employees from providing services to U.S. citizens in
13 personal matters."

14 f. After I spent about two million dollars from saving and loans, the Benin
15 Inland Revenue issued a Bond Certificate with the condition ECOWAS
16 immediately payout and transfer my nearly half billion dollars to the USA.
17 Instead, ECOWAS Ghana Foreign Payment Department lied to me, and gave
18 me a fake wire transfer receipt, and a few days later, CIA monitoring overseas
19 banking sent me an email, demanded a fund protection declaration order and
20 clean bill certificate. The email contained a telebank number belonging to
21 State of New York (917) 639-5822, account number, passcode, and account
22 PIN.

23 g. In the second email from the CIA monitoring overseas banking, the
24 bank withheld my funds located at 3633 Rice Blvd. Houston, TX 77005, the
25 address for Compass Bank, which was not the bank's name on the telex
26 transfer receipt. It also provided me a law firm with the address as Hampton,
27 Virginia, and its email address.

28 h. The next day, the CIA monitoring overseas banking posing as the
Hampton Virginia law firm responded to my request for information. In the
email they demanded a total of \$19,310.00 with a down payment of
\$13,517.00, and balance must pay after documents delivered. The down
payment breakdown as following: Exhibit C.

(1) \$3,000.00 paid by Western Union to Ms. Analiza Veloria, 1040
Roane Avenue, Hampton, Virginia 32260 (Google map showed Roane Dr.)

(2) The remainder of \$13,517.00 or \$10,517.00 by telex transfer to:
Bank of New York, New York, USA, Swift code: IRVTUS3N, Credit: Suncorp
Ltd, Brisbane, Australia, (<http://www.suncorp.com.au> website showed an
insurance company and bank) Swift code (again) METWAU4B, Account
number; 600372331, BSB: 484-799, Beneficiary: Suijuris Chambers.

1 If I paid \$19,620.00 or any part of it, they surely will give me fake
2 documents for the FBI would arrest me, and illegally seize my fund.

3 i. While the CIA monitoring overseas banking was trying to trap
4 innocent me for completing their grand financial abduction, I put heavy stress
5 upon the ECOWAS Ghana official, Koffi Kwame and his serious criminal
6 associates. He exploded with his confession and revealed the United States
7 government was behind the prevention of the nearly half billion dollar credit
8 to my account with bank in USA. Exhibit D

9 j. The U.S. Embassy Ghana's employees, Carol and Grace told me
10 Federal law prohibits Federal employees assisting U.S. citizens in personal
11 cases. I absolutely know of these two either CIA operatives or CIA Operatives
12 instructed them for lied to me, for purpose of prevent my nearly half billion
13 dollars transfer to USA.

14 k. These are facts of the United States federal government officials
15 associating with grand robbers, terrorists, scammers, - handing my (innocent
16 US citizen) nearly half billion dollars over to terrorists. At the time they
17 physically diverted the funds for attacks on America soil, they were unable to
18 get more money from me. At this point, the bad Ghana Police Commissioner
19 was used by the Almighty Eternal God. He confessed terrorists plans of using
20 an innocent U.S. citizen's funds for attacks on America soil, and FBI will
21 arrest me. Exhibit E.

22 NOTE: The Ghana Police Commissioner, the ECOWAS official, the Times
23 Square failed SUV bomber, and Russian spy confessions worked by the
24 Almighty Eternal Creator's supernatural power through the devil's channel.
25 (The devil is very cunning, he gave power to people who do evil for him, he
26 turns his machete against those do evil.)

27 i. Because I, the U.S. citizen Mariette Do-Nguyen, am the Messenger of
28 the Covenant, and the former U.S. government George Walker Bush, his
administration and Washington Federal government had plans of robbing my
funds, I am now going before this COURT. Evidence shows Washington
Federal government leaders and officials made laws, while they placed
themselves above the United States Constitution and Federal laws.

V. REVELATIONS REVEAL FUTURE TRAGEDIES UPON AMERICA

22. The terrorists attack on America in September 11, 2001 was a
revelation given to me on August 26, 1996. Even prior to August 26, 1996,
the Almighty Eternal Creator handed over to me warnings and more warnings
for America. He asked me to deliver the warnings to the United States Senate
and House of Representatives members, two presidents, William Jefferson
Clinton and George Walker Bush. The Messiah even asked me to file a civil
suit in Federal Court. I did everything the Almighty Eternal Creator and the

1 Messiah asked of me. But all three branches completely ignored the Almighty
2 Eternal Creator's warnings, allowing the terrorists attack on America on
3 September 11, 2001, and rampage shooting in Forth Worth military base in
4 November 2009. These two catastrophes occurred because Federal
government leaders and high-ranking officials completely ignored to the
Almighty Eternal Creator's warning after warning!

5 23. The August 26, 1996 revelation was the beginning of America's
6 serious problems, and also the more Washington government leaders try to
7 repair the problems, the worse the country gets! The Fort Worth military base
8 shooting rampage was revealed on September 11, 2001 after the attack. The
August 26, 1996 revelation published on page 151, *My Patient - God's Gift*
book. Exhibit F (co-authors, Gerald Nelson, MD and Mariette Do-Nguyen)

9 24. August 2, 1992. A revelation in New Orleans showed the majority of
10 serious problems will hit the East Coast of America and will spread
11 throughout the country, and it is published on page 49, *My Patient - God's Gift*
in 1996.

12 25. I did not and will not advertise my books through the United States
13 Judiciary system! But I am saying this, it is best for the American people and
14 the United States of America, that the United States Federal and states
15 government leaders as well as religious officials must read my book, entitled
16 *My Patient - God's Gift*. The Almighty Eternal Creator will guide them to
17 understand the things they did badly wrong and ruined America's economy
18 again and again - wars, terrorist activities, murders, violence, high-rate
unemployment, massive housing foreclosure, high deficit budget, mental
illnesses and physical diseases occurring. The more taxpayers money
Washington spends for wars, the greater the destruction. It is the fact of they
must know what they did wrong, and sincerely repair for better America
future!

19 26. Continually, on July 13, 2006, the Almighty Eternal Creator
20 revealed future events upon America. Exhibit G.

21 **NOTE:** I know of no one who wants to read or hear what I wrote above!
22 But I cannot deliver untruth to anyone! My duties and responsibilities are to
23 deliver, write, and say exactly what I heard and saw! Indeed, anyone who is
24 able to swallow the bitterness of truth and put it into correct of good action,
he will do great things for himself, his loved ones and his countrymen!

25 VI. CONCLUSION:

26 27. The facts clearly show the entire Federal government leadership is
27 full of violations, lacking compliance with the United States Constitution and
28 Federal laws. They violated freedom of religion and a U.S. citizen's right to her
nearly half billion dollars, protected by the United States Constitution. They

1 abuse their power of office, reward illegal immigrants for violating Federal
2 Immigration laws, and punish foreigners for complying with Federal
3 Immigration laws, as well as violating Federal immigration laws preventing
4 U.S. citizens' right for sponsoring siblings to USA. Washington government
5 leaders generate problems, they are not problem solvers!

6 28. The action of United States Federal leaders suing the State of
7 Arizona serves Washington's purposes and will generate greater violations of
8 the United States Constitution and Federal laws. Arizona Immigration Laws
9 will serve Arizona citizens properly, they will bring peace, justice and
10 prosperity to Arizona citizens.

11 29. As Messenger of Covenant I have a lot of love and badly want to
12 help illegal immigrants, it is the reason the Almighty Eternal Creator
13 instructed me to join in filing this court pleading. The Almighty Eternal
14 Creator intervenes to force Federal government leaders and officials to do
15 things correctly, and to reform the immigration system correctly.

16 30. Evidence provided as exhibits above clearly show Federal
17 government officials are violating United States' citizens' rights protected in
18 the United States Constitution, such as freedom of religion, and freedom of
19 possessing one's own wealth. They did not and will not have the courage and
20 ability to comply with the United States Constitution, as well as Federal laws
21 they passed for securing the borders, for peace, justice, safety and prosperity
22 to arrive in the United States of America! In fact, the more they did and they
23 will do is about Republicans and Democrats fighting each other and causing
24 harm to Americans.

25 a. The Almighty Eternal Creator protects His creatures by arming his
26 people with His Immigration laws. Arizona legislators, governor, and law
27 enforcement officials are protecting Arizona citizens by arming them with their
28 Immigration Law!

b. Foreign applications filed with the U.S. Immigration and
Naturalization who delayed or did not receive approval for a visa were
punished because of the former U.S. President Ronald Regan's amnesty to
illegal immigrants. The United States Federal government leaders and officials
must repair former President Regan illegal actions, for these innocent people
stood in line and did not get their visa to enter the United States.

c. The State of Arizona and all states in the United States of America
legislators, governors and law enforcement officials have the responsibility to
protect their states' citizens, by bearing arms within state laws, securing their
state's border, and taking out illegal immigrants. These actions will limit or
prevent future crimes, and act for peace, justice and prosperity to blossom in
their states.

1 **VI. REQUEST FOR RELEASE ORDER**

2 In order to end illegal immigrants residing in the United States of
3 America, and avoid illegal immigrants committing various crimes, and to
4 achieve peace, justice and prosperity, the Almighty Eternal Creator instructed
5 me to deliver the following to the United States Federal Court in the State of
6 Arizona and all states in the union, court of appeals and the United States
7 Supreme Court:

8 A. As the Almighty Eternal Creator's Messenger of Covenant, **I**
9 **respectfully request the United States Judicial officers to immediately**
10 **use their authority to enforce the Almighty Eternal Creator's (sole owner**
11 **of the earth) immigration laws. Exhibit H. (Reform Immigration**
12 **Procedures.)**

13 B. For the State of Arizona citizens carry out their immigration law
14 (SB1070), protect the Second and Ninth amendments of the United States
15 Constitution, and proof of these protections showed on Federal Immigration
16 and National Act, Section 8 USB 1324.

17 C. As a crime victim of the United States federal government leaders and
18 high-ranking official at least twice, **I request the Court** for order a repair the
19 former U.S. President Ronald Regan's abuse of his authority, giving amnesty
20 to over ten million illegal immigrants who broke Federal Immigration laws,
21 and punished me by preventing my only living sibling and her family
22 immigrant to USA, **for my only living sibling, her husband, and all her**
23 **immediately family's children and grand children's immigrant visa, so**
24 **that they can permanently reside in the United State of America, to unit**
25 **with me for carry out our beloved tradition of family members stay**
26 **together and take care of one another.**

27 Respectfully submitted,
