15 Plaintiffs,

DECLARATION OF MARIA CRIMI SPETH

16 v.

17 SHAWN RICHESON,

18 Defendant.

19 I, Maria Crimi Speth, declare as follows:

20 1. My name is Maria Crimi Speth. I am a resident of the State of Arizona, am over
 21 the age of 18 years, and if called to testify in court or other proceeding I could and would give the
 22 following testimony which is based upon my own personal knowledge.

23 2. I am an attorney at Jaburg & Wilk, P.C.

24 3. Jaburg & Wilk has represented Xcentric Ventures, LLC in various matters for the
 25 past seven years. Xcentric Ventures operates www.ripoffreport.com (Ripoff Report).

26 4. Approximately a week ago Shawn Richeson called me at my office. He said that
 27 he knew Ripoff Report removed a report for someone else and that Ripoff Report needed to do

1 the same for him. I told him that he was mistaken and that Ripoff Report does not remove
2 reports. When he told me the name of the person who the report was about, I explained that the
3 report had not been removed but the person's name was redacted from the posting by Ripoff
4 Report. I explained that the reason for the redaction was that the posting accused that person of
5 molesting a child. I explained that Ripoff Report has a policy to remove the name of someone
6 accused of a violent crime or child molestation unless there was a police report or criminal record
7 to support the accusation.

8 5. Between Friday, September 3, 2010, and Monday, September 6, 2010, I received
9 32 emails from Shawn Richeson demanding changes be made to postings about him on Ripoff
10 Report.

11 6. Mr. Richeson first demanded that his last name, "Richeson," and his company
12 name, "clickanerd.com" be removed from two identified URLs on Ripoff Report.

13 7. Mr. Richeson urged me to "think this through and evaluate whats [sic] at risk very
14 carefully." He stated that he had pulled the criminal records of David Gingras, in-house counsel
15 for Xcentric Ventures and former attorney for Jaburg & Wilk (the "firm"), and posted about Mr.
16 Gingras and Jaburg & Wilk on his website. (See Ex. 1 - email of September 3, 2010 1:08 PM).

17 8. Mr. Richeson then launched a person attack on Mr. Gingras by posting statements
18 to several internet site in which he falsely labeled Mr. Gingras as a "child molester." (See Ex. 2 -
19 email of September 3, 2010 2:13 PM regarding a posting to jaburg-and-
20 wilk.pissedconsumer.com; Ex. 3 - email of September 3, 2010 2:24 PM regarding similar posting
21 to www.seomoz.org and in which he states "This info is going virul [sic]...Damn dirt sells"; Ex.
22 4 - email of September 3, 2010 2:35 PM regarding similar posting to www.clickanerd.com).

23 9. I requested that Mr. Richeson stop making such postings and discuss the matter
24 with me instead. (See Ex. 5 - email of September 3, 2010 2:35 PM).

25 10. Mr. Richeson then called my office but did not speak with me because I was on the
26 telephone with a client. (See Ex. 6 - emails of September 3, 2010 2:48 PM and 4:53 PM).

27 11. Mr. Richeson then sent an email detailing his extortion. He said he would remove
28 the postings he had made about Mr. Gingras and Jaburg & Wilk if his demands were met,

1 claiming he would otherwise file a “lay down slam dunk mother fucker” law suit in Maricopa
2 County and send his “internet gurus back the grind digging into all of [the firm’s] employees,
3 clients[,] etc.” to ensure the firm “couldn’t get a client if they [sic] stood on the corner with a sign
4 saying ‘we sue for food’.” (See Ex. 6 - email of September 3, 2010 4:17 PM).

5 12. I informed Mr. Richeson that despite the assertions made in his various postings,
6 Mr. Gingras was not a child molester and never had been; rather, when he was in his early
7 twenties he had a girlfriend who was seventeen years old and her parents pressed charges against
8 Mr. Gingras that were ultimately dismissed. (See Ex. 7 - emails of September 3, 2010 8:33 PM
9 and 7:41 PM).

10 13. Mr. Richeson responded that it did not matter to him that the charges were
11 dismissed against Mr. Gingras and challenged the firm to “deal with the political fallout” then sue
12 him, but that in any case the report will have gone viral by the coming Monday. (See Ex. 7 -
13 email of September 3, 2010 7:41 PM).

14 14. Later that same evening, Mr. Richeson forwarded yet another link to an internet
15 site wherein he again falsely labeled Mr. Gingras a child molester. (See Ex. 8 - email of
16 September 3, 2010 9:24 PM and posting on cmtracker.wordpress.com/2010/09/04/david-gingras).

17 15. The following morning, which was this past Saturday, he continued his barrage of
18 emails by sending me links to a number of websites with similar postings about Mr. Gingras; (See
19 Ex. 9 - email of September 4, 2010 9:19 AM; Ex. 10 - email of September 4, 2010 9:24 AM; Ex.
20 11 - email of September 4, 2010 10:47 AM; Ex. 12 - email of September 4, 2010 10:57 AM; Ex.
21 13 - email of September 4, 2010 11:29 AM).

22 16. Just thirty minutes later, he claimed he would “have all of [our] clients criminal
23 records soon”; he augmented his claim with statements such as “no turning back now,” “you may
24 want to run over to federal court and snag an emergency TRO,” and “cant [sic] wait to see you in
25 court dear.” (See Ex. 13 - email of September 4, 2010 11:29 AM).

26 17. His attacks then turned on me personally when he stated his “Indian friends just
27 got to work a few minutes ago and they do work cheap. They found something about you being
28

1 cited by the city of Phoenix for some sort of property violation. I imagine it's trivial, but sounds
2 important to us." (See Ex. 14 - email of September 4, 2010 1:35 PM).

3 18. He also reiterated his intent to search records relating to the firm's employees,
4 family members and clients and listed four of the firm's major clients by name, threatening to
5 make statements about each that were "unflattering, humiliating and very public" and further
6 claiming that his "desire to settle [was] fading as [his] excitement in this project increases." (See
7 *Id.*).

8 19. Mr. Richeson continued his tirade claiming that "before the weeks [sic] out,
9 operation 'ass slam jaburg and wilk' will be a huge success." (See Ex. 15 - email of September 4,
10 2010 2:23 PM).

11 20. At this point I informed Mr. Richeson that Mr. Magedson (the Manager of
12 Xcentric Ventures) was considering his demands but needed time to confer with counsel. (See *Id.*
13 at 3:31PM.).

14 21. Mr. Richeson responded stating, "in the spirit of fair competition, [he] would give
15 [me] 20 minutes to fix" the two postings. (See *Id.* At 2:23PM).

16 22. After conferring with Mr. Magedson, the Killeen Texas police department, the
17 Phoenix City Police department, and separate counsel for Xcentric Ventures, I informed Mr.
18 Richeson that Ripoff Report was in the process of removing both "Richeson" and
19 "clickanerd.com" from the identified URLs. (See Ex. 16 - email of September 4, 2010 5:13 PM).

20 23. Mr. Richeson then stated that "when it's down, your stuff is down." (See *Id.* at
21 3:21 PM).

22 24. He soon thereafter removed the all of his postings. (See Ex. 17 - email of
23 September 4, 2010 3:37 PM; Ex. 18 - email of September 4, 2010 4:16 PM; Ex 19 - email of
24 September 4, 2010 5:00 PM).

25 25. I believed the matter was temporarily resolved and logged off email for the
26 remainder of the holiday weekend.

1 26. Despite understanding that this would conclude the matter, Mr. Richeson then
2 requested an additional posting be amended to remove “Richeson” and “clickanerd.com.” (See
3 Ex. 19 - email of September 4, 2010 5:00 PM).

4 27. Less than one hour later, Mr. Richeson requested two posts be amended to remove
5 “Richeson” and “clickanerd.com” and claimed “I will quit bothering you this weekend.” (See
6 Ex. 20 - email of September 4, 2010 5:56 PM).

7 28. On Sunday morning, Mr. Richeson again emailed demanding that his name be
8 removed from additional postings. (See Ex. 21 - email of September 5, 2010 9:57 AM).

9 29. Again, less than one hour later, he emailed me stating: “WTF: Are you going to fix
10 this or not?” (See Ex. 22 - email of September 5, 2010 10:34 AM).

11 30. When I did not respond by mid-day Sunday, he emailed me stating, “Avoiding my
12 calls is not smart....Pissing me off is not smart. If you are jerking me off to get through the
13 weekend, I can promise you, you will lose in ways you never dreamed of. Keep your word and
14 fix these posts, or Find out just how far I am willing to take this matter.” (See Ex. 23 - email of
15 September 5, 2010 12:21 PM).

16 31. By Sunday evening, when he was unable to reach me, he emailed me to say he was
17 “unable to evaluate where we were at if [I] ignore [him].” (See Ex. 24 - email of September 5,
18 2010 7:30 PM).

19 32. When I had not responded by Sunday night, he reactivated
20 www.jaburgandwilksucks.com. (See Ex. 25 - email of September 5, 2010 10:56 PM).

21 33. Monday afternoon, he suggested we “let the games begin” and warned not to
22 “attempt an Ex Parte TRO Or I am moving for sanctions.” (See Ex. 26 - email of September 6,
23 2010 3:29 PM).

24 34. He also updated information about Mr. Gingras on the
25 www.jaburgandwilksucks.com website. (See Ex. 27 - email of September 6, 2010 4:08 PM).

26 35. Shortly thereafter, he emailed all the partners in the firm stating:

27 I promise and swear to god as my judge, I will not let you get away
28 with this and the only non paying, time consuming and emotionally

1 draining case you and your firm will be in for the next 3 years is
2 jaburg v richeson v Speth v Magedson.

3 Every lawyer, paralegal and client you have will see all of their
4 criminal records and any other unflattering piece of dirt that exists
5 out there on the web right in the center of the Google and Yahoo
6 search results.

7 You have fucked with the wrong hombre folks.

8 (See Ex. 28 - email of September 6, 2010 4:31 PM).

9 36. This was followed by an invitation to comment on a case filed in Phoenix
10 Municipal Court involving another attorney employed by Jaburg & Wilk (a speeding
11 ticket) (See Ex. 29 - email of September 6, 2010 4:57 PM).

12 37. Late Monday night, Labor Day, I checked my email in preparation for the
13 next day's business to find all of Mr. Richeson's communications.

14 38. I informed him that I had believed the matter to be concluded on Saturday
15 and had not been online after that time due to the holiday weekend in order to spend time
16 with my family. (See Ex. 30 and 31 - emails of September 6, 2010 11:12 PM and 9:40 PM).

17 39. Nonetheless, I agreed to contact Mr. Magedson and inform him that Mr.
18 Richeson had made additional demands. (See *Id.*)

19 40. In response, Mr. Richeson agreed he would get "out of [my] hair" and
20 disable the www.jaburgandwilksucks.com website in return for the additional
21 amendments. (See Ex. 30 - email of September 6, 2010 9:30 PM; Ex. 32 - email of September 6,
22 2010 10:16 PM).

23 41. In addition to all of the emails, Mr. Richeson called my home three times
24 over the holiday weekend. He left the following message on my family answering
25 machine: "Hi, this is Rich with Click A Nerd. I was calling you back [inaudible] your
26 computer problem. You can give us a call us back at 254-247-3241 if you still have any
27 computer problems. Thank you and have a great day." He also called and spoke to my
28 husband. He told my husband he was calling back from Click A Nerd because someone

1 called him about a computer problem. The last telephone call at my home was at 10:45
2 PM on labor day. I answered the telephone call, Mr. Richeson identified himself, and I
3 told him to never call my home again and hung up on him.

4 42. He claimed to be trying to reach me by phone to “prevent a lag in
5 communications...[and] settle this matter.” (See Ex. 33 - email of September 6, 2010 11:12
6 PM).

7 43. I responded by email with a requested that he never call my home again and
8 informed him that Xcentric was having the final amendments made. (See Ex. 34 - email of
9 September 7, 2010 12:30 AM).

10 44. Xcentric has informed me that it made the decision to remove Richeson’s
11 name from Ripoff Report only long enough to get through the holiday weekend and allow
12 itself and Jaburg & Wilk the opportunity to get to Court.

13 45. Xcentric is strongly opposed to the removal of truthful content from Ripoff
14 Report.

15 46. Xcentric’s position is that negotiation with someone who is threatening and
16 harming Xcentric will lead to threats and harm by others.

17 47. Xcentric made the difficult decision to remove the content demanded by
18 Defendant Richeson only until a temporary restraining order could be obtained and only
19 to avoid the serious irreparable harm that was occurring over the holiday weekend.

20 48. Xcentric feels compelled to restore the posting to its original version and
21 indicated that it would do so by September 7, 2010. Xcentric then agreed to extend that
22 deadline because it was not possible to file all of the necessary paperwork by September
23 7, 2010.

24 49. Once Xcentric restores the posting to its original version, it is virtually
25 certain that, absent an injunction, Richeson will resume his harassment, defamation, and
26 other wrongful acts.

27 50. Absent the issuance of the requested injunctive relief, irreparable harm is
28 likely to occur at the hands of Defendant Richeson.

1 51. Pursuant to Rule 65(b)(1), notice has not has been given to Defendant
2 Richeson of the pendency of this Application because Plaintiffs will suffer immediate and
3 irreparable injury if injunctive relief is not granted prior to Defendant Richeson's
4 appearance before this Court.

5 52. Notice should not be required because Defendant Richeson has specifically
6 threatened, "By the time you get an emergency TRO filed on Tuesday, this baby will have
7 hit the 10K IP pull range."

8 53. If notice is given before a restraining order is issued, Richeson will make
9 every possible effort to inflict the maximum amount of damage on Plaintiffs before he is
10 restrained from doing so.

11 54. Thus, pursuant to Rule 65(b)(1), notice should not be required to Defendant
12 Richeson prior to the entry of the injunctive relief requested herein.

13 I declare under penalty of perjury that the foregoing is true and correct.

Maria,

I am still trying to digest our conversation from the other day.

I pulled the criminal records on the Maricopa County Web Site and found that David S. Gingras was actually charged with 12 counts of sexual crimes against a minor as alleged in the report.

As such, listening to our conversation from the other day, it seems to be a bit hypocritical that just because David Gingras is a partner at your law firm, that Ripoff Report does not proudly allow and post this fact for the world to see.

We may need to revisit the merits of my causes of action in a new suit.

I just may be filing a Maricopa County District court case against your firm, Ed Magedson and David Gingras.

Please slow down, think this through and evaluate whats at risk very carefully.

My offer still stands.

Maria,

- 1) I have already established that Kevin Sianez made fraudulent postings about me on your web site ripoffreport.com.
- 2) I have already established that Magedson altered and manipulated the title tags, headings text, etc in an attempt to cause me damage or piss me and my family off; whatever his motive may be.
- 3) I have already established that Kevin Sianez is off to prison for a long period of time for issues similar to this.
- 4) I have already established through your recorded testimony (audio recording) that you alter reports for suspected child molesters and other suspects charged with a crime.
- 5) I can prove that you personally buried a report on ripoff report.

If I file suit in Maricopa County, I will not need to do an ounce of discovery.

I will set it for a jury trial and name you, jaburg and wilk, Mr. Jaburg, Mr. Magedson, David Gingras and any other person I can prove conspires to tortuously interfere with business and use extortion in an attempt to defraud insurance companies.

I have seen that the Judge in the Brewington case has tossed you guys out on your ass, right there in Maricopa County.

I can prove every element of all of my causes of action without any further discovery efforts on my part.

When I put Magedson, Gingras and Brewington in front of a Maricopa County jury, what a lay down slam dunk mother fucker that will be.

When your local papers pickup on the story, the media will camp outside the Courthouse!

Here is what I want

- 1)remove my last name (richeson) from any ripoff report
- 2)remove the domain (clickanerd.com) from any ripoff report

In return, I will pull your partner's criminal record and have my friends at pissedconsumer.com pull those postings as well.

I can only imagine what a smart attorney can do with your recorded testimony to bust up the section 230 immunity claim.

Unlike the reports on your web site that you know are false and entered by a person that is on his way to prison for ever. (Kevin Sianez)

My postings about your partner David Gingras are in fact true and supported by prima facie evidence.

If the postings on your web site trigger under my name past Monday, I will send my internet gurus back to the grind digging into all of your employees, clients etc.

We will make sure Jaburg and Wilk couldn't get a client if they stood on the corner with sign saying "we sue for food".

Take Care
Have a Great Weekend

Maria:

Because he is an attorney and because the charges were dismissed makes no difference to me.

He was charged with multiple counts of a sexual offence and that's all that matters to me.

The District Attorney has an entirely different look at the sequence of events and I for one believe his story.

Gingras can argue the merits of his case in a public forum.

Jaburg and Wilk can deal with the political fallout and sue me if they want.

I live in Court, so you have to come up with something more compelling to deter me.

Apparently you all are concerned about this becoming public or you would not have gotten a hold of Mr. Podolsky (pissedConsumer.com) and had him take it down ASAP.

By Monday, my copy of the report will have gone viral.

Good luck getting 2000 + blogs to remove it.

BTW, thank you! At least now I am certain you can intimidate Podolsky.

You cannot intimidate me though !!!

The fact of the matter is, you make exceptions for some people and not others when it comes to what gets posted on ROR and what gets modified on your web site.

You and your firm analyze the shakedown value and find out if your opponent has an insurance company that will pay a nuisance value fee to make you go away.

It's clever but it's also racketeering.

You and I both know that Kevin Sianez posted comments on your web site posing as a fake consumer and Ed Magedson altered the posting to cause it to favorably rank on Google.

Your own words in your recorded conversation all but sink your immunity under

9/7/2010

the CDA section 230.

If I start contacting all the attorneys in suites opposite of you and share the recording, they will fuck you with it.

By the way, I have kept every recording with you and Magedson.

Do you remember everything you said ?

BOTTOM LINE

I operate many web sites and I know how simple it is to correct or change a posting and make google or yahoo pick up on the key words.

We do it for a living for hundreds of businesses.

As such, it is my intent to devote resources to finding criminal records, divorces, bankruptcies etc. on all of your clients, employees and family members.

We will use our SEO knowledge and resources to cause those facts to rank on Google and Yahoo and make Jaburg and Wilk understand that when you dance with the devil (Ed Magedson), you will do it in hell.

We are automation experts and our India Associates work cheap.

I have elected to make the situation a priority and until those posting are changed to remove my last name and domain name, I will cause as much grief, public scrutiny and loss of revenue as humanly possible to you and the firm of Jaburg and Wilk.

I would contact the law offices of Dan Corbin & Associates and ask him if I am bluffing.

(254) 526-4523 - Ask For Dan

I have polarized law firms and made the owners go to sleep and wake up in the middle of the night with hot flashes screaming my name.

If you are in this for the long haul, then I am throwing down the gauntlet.

If not, take care of this immediately and I give you my word that I will quietly go away and leave you and your law firm alone.

Take Care

Would it make any difference to you if you knew that David Gingras is NOT a child molester and never has been? When David was in his early twenties, he had a girlfriend who was seventeen. Her parents made accusations and pressed charges, against her will. Those charges were **dismissed**. That is not child molestation.

Plus, David is no longer working at Jaburg & Wilk. He is in-house counsel for Ripoff Report.

I will set it for a jury trial and name you, jaburg and wilk, Mr. Jaburg, Mr. Magedson, David Gingras and any other person I can prove conspires to tortuously interfere with business and use extortion in an attempt to defraud insurance companies.

9/7/2010

I have seen that the Judge in the Brewington case has tossed you guys out on your ass, right there in Maricopa County.

I can prove every element of all of my causes of action without any further discovery efforts on my part.

When I put Magedson, Gingras and Brewington in front of a Maricopa County jury, what a lay down slam dunk mother fucker that will be.

When your local papers pickup on the story, the media will camp outside the Courthouse!

Here is what I want

- 1)remove my last name (richeson) from any ripoff report
- 2)remove the domain (clickanerd.com) from any ripoff report

In return, I will pull your partner's criminal record and have my friends at pissedconsumer.com pull those postings as well.

I can only imagine what a smart attorney can do with your recorded testimony to bust up the section 230 immunity claim.

Unlike the reports on your web site that you know are false and entered by a person that is on his way to prison for ever. (Kevin Sianez)

My postings about your partner David Gingras are in fact true and supported by prima facie evidence.

If the postings on your web site trigger under my name past Monday, I will send my internet gurus back to the grind digging into all of your employees, clients etc.

We will make sure Jaburg and Wilk couldn't get a client if they stood on the corner with sign saying "we sue for food".

Take Care
Have a Great Weekend
Shawn

Maria,

I am still trying to digest our conversation from the other day.

I pulled the criminal records on the Maricopa County Web Site and found that David S. Gingras was actually charged with 12 counts of sexual crimes against a minor as alleged in the report.

As such, listening to our conversation from the other day, it seems to be a bit hypocritical that just because David Gingras is a partner at your law firm, that Ripoff Report does not proudly allow and post this fact for the world to see.

We may need to revisit the merits of my causes of action in a new suit.

I just may be filing a Maricopa County District court case against your firm, Ed Magedson and David Gingras.

Please slow down, think this through and evaluate whats at risk very carefully.

My offer still stands.

David S. Gingras a.k.a David Gingras is the legal representation of Ed Magedson the owner of the website RipoffReport.com. He is a partner and owner at the law firm of Jaburg and Wilk and his known associations include Maria Crimi Speth also a partner at Jaburg and Wilk. Jaburg and wilk is a law firm located at 3200 North Central Avenue, Suite 2000, Phoenix Arizona 85012. The law firm buried the report about him to keep their law firm from looking bad. Maria Speth said that they alter reports about child molesters.

Realizing that it is impossible to notify every citizen about a sex offender's presence in their community, this site will empower you to obtain information and take the appropriate precautions. Furnishing the public with information regarding convicted sex offenders is a critical step towards encouraging the public to protect themselves from potential future acts.

The Arizona Department of Public Safety (DPS) has established this site according to the requirements of A.R.S. 13-3827. DPS is responsible for maintaining the site and annually verifying the addresses of all registered sex offenders.

Not impressed. I am a business entrepreneur and I have dealt with Maria Speth, one of the partners at Jaburg Wilk. The quality of legal service was terrible and I found out that her partner David S. Gingras has been in trouble for various sexual offenses and DWI. I find it highly unethical that a law firm would allow people like this to work for them. I would not recommend them to anyone.

I have dealt with Maria Speth. If she would spend her time as a lawyer and not running her web site ripoffreport.com, maybe she would be able to focus and do a good job. As it is, she hired a fella named David Gingras. He may be an OK lawyer, but he was charged with 12 counts of indecency with a child. How can we trust an Attorney to help us if they hire child molesters?

Maria,

Would you like a copy of every IP Address that is pulling
www.JaburgandWilksucks.com ?

EXAMPLE:

"74.202.132.130"		http://www.clickanerd.com/legal/qingras/			

We should have key phrases like:

- 1) jaburg wilk
- 2) jaburg and wilk
- 3) jaburg and wilk phoenix
- 4) phoenix attorney
- 5) Gary jaburg
- 6) Maria Speth

All pulling up and displaying front and center for the world to read.

By the time you get an emergency TRO filed on Tuesday, this baby will have hit the 10K IP pull range.

My Indian friends just got to work a few minutes ago and they do work cheap.

They found something about you being cited by the city of Phoenix for some sort of property violation. I imagine it's trivial, but sounds important to us.

We will start getting employees, family members and clients criminal records and past indiscretions the same way you all do it.

We will start with:

- 1) Southwest Transfer and Storage, Inc.
- 2) Tomar Electronics
- 3) Data Doctors
- 4) Total Transit, Inc.

We will make them unflattering, humiliating and very public.

Of course, we will give them the option to remove the postings, unlike your site.

My desire to settle is fading as my excitement in this project increases.

Remove the domain (clickanerd.com)

I had my Indians retain the names and passwords to the yahoo, google and other accounts so they can undo and remove the postings.

The ones I did personally can be undone in 1 minute.

I can disable www.jaburgandwilkucks.com in 30 seconds

In 20 minutes if my last name and domain are still in the postings above, I will hit the switch and send my Indian friends back to work.

I can assure before the weeks out, operation "ass slam jaburg and wilk" will be a huge success.

I am grilling steaks, so if I don't get back to you immediately, I apologize.

Ripoff Report is in the process of removing "Richeson" and "Clickanerdcom" from both postings. Ed said that in addition to the items that you list below, if you tell anybody that you succeeded in forcing him to do this, he will put the names right back in. He also said that if anyone else uses the same technique, he will put the names right back in.

Maria,
I don't lie.
I only post the truth.
However in the spirit of fair competition,
I will give you 20 minutes to fix these:

Remove the last name (richeson)
Remove the domain (clickanerd.com)

I had my Indians retain the names and passwords to the yahoo, google and other accounts so they can undo and remove the postings.

The ones I did personally can be undone in 1 minute.

I can disable www.jaburgandwilksucks.com in 30 seconds

In 20 minutes if my last name and domain are still in the postings above, I will hit the switch and send my Indian friends back to work.

I can assure before the weeks out, operation "ass slam jaburg and wilk" will be a huge success.

I am grilling steaks, so if I don't get back to you immediately, I apologize.

Shawn:

The more damage you do, the less negotiating power you have. Ed is considering your demands and may be forced to cave in to them in order to prevent further damage to me and my firm from you spreading these lies. But Ed needs time to think and I need time to confer with Ed about this and you are doing so much damage in the meantime that it might be too late to matter.

Please stop these postings and give us some time to think and to talk about it.

And it looks like no final conviction, so I updated that information as well.

You can also update his side of the story and post about how he was in his mid 20's and she was 16 blah blah blah.

Subject: RE: Any one want to comment on this case before its posted?

Maria,

I was very specific with what I wanted corrected.
I have 3 postings on your web site:

- 1) <http://www.ripoffreport.com/Computer-Service-Repair/ClickaNerd-com-Compu/clickanerd-com-computer-nerds-4w854.htm>
- 2) <http://www.ripoffreport.com/Computer-Service-Repair/COMPUTERNERDS-NET-CL/computernerds-net-clickanerd-c-29da5.htm>
- 3) <http://www.ripoffreport.com/Computer-Service-Repair/Computernerds-Net-AK/computernerds-net-computernerd-y239d.htm>

All three postings have "Richeson" in them and all three have ClickaNerd or ClickaNerd.com in them.

My objective is to have all 3 of them not trigger in the google and Yahoo search results under either phrase.

As long as those phrases are in the titles or body content somewhere, Google and Yahoo will display them under the search results.

Bing / MSN has already banned Ed and Ripoff Report, so I don't care about that search engine.

Believe me; I want to be done with this as much as you do.

But if it is in my face every time I google my name, then its difficult to not make it an issue.

I made a promise to you. As soon as you correct those 3 issues, I dispense with my SEO bashing as well.

I will turn over the domain: www.JaburgandWilkSucks.com to a 404 error.

As far as taking time off with the family, I am truly sorry to interfere with that.

I do need to get a life (agreed).

Just please take care of this issue and I will be out of your hair.

Thank You
Shawn

You are unbelievable. I got done with emails and this situation (I thought) on Saturday. I tried to take two days off and spend time with my family and I come back to this. What is wrong with you?

When we left this on Saturday, I was told that Ripoff Report removed your name from the postings that you identified. I now find out that after I went offline, you asked for more. How was I supposed to know that? Do you think I spend my entire life reading my work emails? Well, you are wrong. I have a life, unlike you.

I will contact Ed and let him know that you are looking for more after he already complied with your demands. I am sure that will go over well.

When do you think this will stop? When Ripoff Report complies with this latest demand, what else will you demand in exchange for stopping the threats and the harassment?

Shawn:

Below is the instruction email that you sent me on Saturday. It listed two postings. About an hour later, you said you would keep your word and even said "have a good weekend." At 5:00 you sent an email that, for the first time, identified a third posting. By then, I had shut down my work computer for the weekend.

When you added a third posting to your demand, to Ed that was just proof that you are never going to stop no matter what he does.

I don't know why I thought that an extortionist would keep his word. I am asking Ed to comply with this latest request but I do not know if he will.

Remove the last name (richeson)
Remove the domain (clickanerd.com)

I had my Indians retain the names and passwords to the yahoo, google and other accounts so they can undo and remove the postings.

The ones I did personally can be undone in 1 minute.

I can disable www.jaburgandwilksucks.com in 30 seconds

In 20 minutes if my last name and domain are still in the postings above, I will hit the switch and send my Indian friends back to work.

I can assure before the weeks out, operation "ass slam jaburg and wilk" will be a huge success.

I am grilling steaks, so if I don't get back to you immediately, I apologize.

Maria,

In response to your last 2 e-mails in the past 15 minutes, yes repair these 3 postings below and I will remove jaburgandwilk.com and force it to resolve to a 404 error.

THESE 3 POSTINGS:

- 1) <http://www.ripoffreport.com/Computer-Service-Repair/ClickaNerd-com-Compu/clickanerd-com-computer-nerds-4w854.htm>

All three postings have "Richeson" in them and all three have ClickaNerd or ClickaNerd.com in them. Remove "Richeson" - "ClickaNerd" - "ClickaNerd.com" completely in the body and in the titles.

As you had indicated in your previous e-mails, I will not pass this information on to a 3rd party pertaining to our settlement agreement and if you want to draw up a formal settlement agreement that addresses the salient terms identified above that is fine too.

I only want to be done with this issue and quit seeing my name show up in the search results with a fake report that looks like official police horseshit.
