Arizona Dispensary Solutions, LLC (hereinafter, ADS) wishes to intervene in the THIS DOCUMENT IS NOT IN PROPER FORM ACCORDING TO FEDERAL AND/OR LOCAL RULES AND PRACTICES AND IS SUBJECT TO REJECTION BY THE COURT.
forementioned case. Its address and telephone number:

- **1517 North Wilmot Suite 252, Tucson, Arizona 85712**
- **# (480) 442 - 0190**

REFERENCE 5.4, 7.1(a)(3), 7.1(b)(2)
(Rule Number/Section)

ADS has a vested interest in Proposition 203 and believes that the arbitrary lawsuit filed by Janice Kay Brewer in her capacity as current governor of the U.S. State of Arizona, is frivolous, and moreover, an undue burden on the constitutional process of the United States of America, and its democratic series of actions to achieve proper result.

An attack on the Voter Protection Act threatens our valuable initiative process. And withal, an attack on Proposition 203 and delaying the movement in what was agreed and voted on by Arizona citizens is a defilement of what the constitution of the United States has built itself upon.

The core business of Arizona Dispensary Solutions is based on compliance with Arizona DHS Medical Marijuana rules, the Arizona Revised Statutes created by the Arizona Medical Marijuana Act, and the original rule schedule set forth by the DHS. In the process, significant financial burden is being placed on qualified dispensary applicants for who ADS provides consulting services. As the dispensary application program is being placed at risk by Gov. Brewer, Arizona Dispensary Solutions is suffering significant financial harm, losing potential revenue, and is being put in a stressful position with its existing clients.

ADS would respectfully request to be added as defendants in the above named suit.

Regards,

On behalf of Arizona Dispensary Solutions, and all of its agents.
