6 **IN THE UNITED STATES DISTRICT COURT**  
7 **FOR THE DISTRICT OF ARIZONA**  
8

9 William Kenneth Qualls,  
10 Petitioner,  
11 v.  
12 Charles L. Ryan, et al.,  
13 Respondents.

No. CV-13-01288-PHX-JAT

**ORDER**

14 Pending before this Court is a motion for reconsideration of this Court's Order of  
15 December 17, 2014. The Court finds no basis for reconsideration, *see Motorola, Inc. v.*  
16 *J.B. Rodgers Mech. Contractors, Inc.*, 215 F.R.D. 581, 586 (D. Ariz. 2003), accordingly,  
17 reconsideration will be denied.

18 An R&R was issued in this case on April 1, 2015. As indicated in the R&R, each  
19 party had 14 days to file objections. Doc. 133 at 7. On April 9, 2015, Petitioner filed a  
20 request for a 30 day extension of time to file his objections. However, on April 10, 2015,  
21 Petitioner filed his objections with a motion to exceed page limit. Thus, the Court finds  
22 the request for extension of time to be moot.

23 Based on the foregoing,

24 **IT IS ORDERED** that the motion for reconsideration (Doc. 130) is denied.

25 **IT IS FURTHER ORDERED** that the motion for extension to time (Doc. 134) is  
26 denied as moot.

27 **IT IS FURTHER ORDERED** that the motion to exceed page limit (Doc. 135) is  
28 granted; the Clerk of the Court shall file the objections currently lodged at Doc. 136. As

1 a result, the motion for exemption from compliance with court rules and extension of  
2 page limit (Doc. 137) is denied as moot.

3 **IT IS FURTHER ORDERED** that, as noted in the R&R, Respondents may file a  
4 response to the objections within 14 days of this Order.

5 **IT IS FINALLY ORDERED** that after 14 days, the Court will deem this matter  
6 fully briefed. In other words, Petitioner is not permitted to file ANY further documents  
7 relating to this Petition.

8 Dated this 21st day of April, 2015.
