ORDER

15
16 Pending before the Court is Plaintiff's Motion to Propose New Scheduling Order
17 (Doc. 45) filed on March 14, 2016. The Court construes the motion as a request to
18 extend the discovery deadlines. Plaintiff specifically requests an additional thirty days to
19 submit her initial disclosure, an additional sixty days to disclose expert witnesses, and an
20 additional sixty days to complete discovery. Plaintiff asserts that she "did not understand
21 how to meet the requirements set forth by the Court" and "has been able to obtain more
22 information and now understands which documents need to be submitted, and is able to
23 perform those acts in a timely manner moving forward." (Doc. 45 at 1). Plaintiff
24 indicates in the motion that the Defendants have no objection to a reasonable extension of
25 time. (*Id.*). Defendants did not respond to Plaintiff's motion. *See* LRCiv 7.2(i) (failing
26 to respond to a motion may be deemed consent to the granting of the motion).

27 **IT IS ORDERED** summarily granting the Plaintiff's Motion to Propose New
28 Scheduling Order (Doc. 45).
