Re: Mozilla/IO Phoenix – Notice of Termination

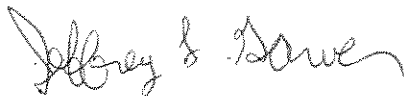

Dear Mr. Slessman:

Mozilla Corporation (“Mozilla”) hereby provides IO Phoenix One, LLC (“IO”) with written notice of termination of the Colocation Master Services Agreement dated December 7, 2009 between Mozilla and IO (the “Agreement”), pursuant to Section 8.1 therein.

Section 8.1 provides that the Initial Term of the Agreement ended on January 31, 2015, and was automatically renewed for a one-year Renewal Term ending January 31, 2016. The Agreement is further subject to automatic renewal “unless either party provides the other party with written notice that it will not renew the Agreement . . . no later than thirty (30) days prior to the end of the Renewal Term.” Mozilla does not intend to renew the Agreement. Accordingly, by its terms, the Agreement terminates as of January 31, 2016.

Please do not hesitate to contact me should you have any questions.

Very truly yours,
