ORDER

14 The Court has considered the parties' post-verdict memoranda and briefing (Docs.
15 595, 596, 603, 604) and orders as follows:

16 **IT IS ORDERED** that Plaintiffs shall file, on or before May 16, 2014, a proposed
17 form of judgment. Plaintiffs must include in their proposed form of judgment all relief
18 requested in this case (including relief related to the jury's verdicts), as the Court will
19 deem any relief not so included to be waived. The proposed form of judgment must be in
20 the form of separately numbered paragraphs with no more than one finding, conclusion,
21 or order per paragraph. Plaintiffs shall not include any arguments or citations to
22 authorities in their proposed form of judgment. Any briefing or memoranda containing
23 arguments must be limited to the reply.

24 **IT IS FURTHER ORDERED** that Defendants may file, on or before May 26,
25 2014, a response to Plaintiffs' proposed form of judgment. Defendants' response must
26 contain separately numbered paragraphs corresponding to the numbered paragraphs in
27 Plaintiffs' proposed form of judgment. Defendants shall, in each numbered paragraph,
28 state whether they agree with or object to the corresponding paragraph in Plaintiffs'

1 proposed form of judgment. For each objection, Defendants may succinctly state the
2 basis for their objection, which may include points of authorities and argument.

3 **IT IS FURTHER ORDERED** that Plaintiffs may file, within ten days after the
4 filing of Defendants' response, a reply to Defendants' response containing such points of
5 authorities and argument as they deem necessary.

6 **IT IS FURTHER ORDERED** that there will be no hearing on the proposed form
7 of judgment unless as the Court may order on its own motion at a later date.

8 Dated this 6th day of May, 2014.
