IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

Deborah Bormann, a single woman,)	No. CV 09-264-TUC-FRZ
Plaintiff,)	ORDER
vs.)	
Waxie Enterprises, Inc., dba Waxie Sanitary Supply,)	
Defendant.)	

Plaintiff Deborah Bormann filed her original Complaint for wrongful termination based on age discrimination in violation of A.R.S. § 41-1461, *et seq.*, against Defendant Waxie Enterprises in state court. Plaintiff filed a First Amended Complaint on March 2, 2009, adding a claim for violation of the Age Discrimination in Employment Act (ADEA).

Defendant removed this action to federal court on May 8, 2009.

On May 13, 2009, Defendant filed its “Petition to Compel Arbitration and Motion to Dismiss, or, in the Alternative, Stay Action Pending Arbitration,” to which Plaintiff filed her an opposition.

This matter was referred to Magistrate Judge Glenda E. Edmonds for all pretrial proceedings and report and recommendation in accordance with the provisions of 28 U.S.C. § 636(b)(1) and LRCiv 72.1 and LRCiv 72.2 of the Rules of Practice of the United States District Court for the District of Arizona.

Before the Court for consideration is the Report and Recommendation of Magistrate Judge Edmonds, filed July 8, 2009, recommending that the Court, after its independent

1 review of the record, grant in part, Defendant’s petition to compel arbitration and motion to
2 dismiss.

3 The Report and Recommendation specifically recommends that the Court grant the
4 motion to compel arbitration and motion to dismiss, but void as “substantively
5 unconscionable,” the provisions in the arbitration agreement restricting punitive damages,
6 the award of attorneys’ costs and fees, and the choice of venue provision.

7 The Report and Recommendation includes a thorough analysis of the legal authority
8 and issues raised in the motion to compel arbitration and the remedy consistent with its
9 findings and severance of the unconscionable provisions in the employment letter
10 agreement.¹

11 Plaintiff filed her objections to the Report and Recommendation, arguing summarily,
12 that the arbitration agreement is substantively unconscionable requiring denial of the request
13 to sever or rewrite the agreement and denial of the motion to compel arbitration. Plaintiff
14 argues that her Amended Complaint should move forward in federal court against the
15 Defendant. In the alternative, Plaintiff moves for reconsideration.

16 In response, Defendant requests that the Court enter an order consistent with the
17 Report and Recommendation.

18 The Court finds, after careful consideration of the matters presented and an
19 independent review of the record herein, that the petition to compel arbitration should be
20 granted in accordance with the findings of the Magistrate Judge set forth in the Report and
21 Recommendation.

22 Based on the foregoing,

23 **IT IS ORDERED** that Magistrate Judge Edmond’s Report and Recommendation
24 [Doc. #13] is hereby **ACCEPTED** and **ADOPTED** as the findings of fact and conclusions
25 of law by this Court;

DATED this 31st day of March, 2010.

FRANK R. ZAPATA
United States District Judge
