**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA**

Harry Preston,

Plaintiff,

v.
Freeport-McMoran Sierrita Incorporated, et
al.,

Defendants.

No. CV-14-02190-TUC-JAS

ORDER

The Court received a notice that the parties reached a settlement in principle, but the record reflects that a stipulation of dismissal has not been filed. If the parties have settled the case, they shall file a stipulation of dismissal by 5/29/15; this may be continued if the parties need more time. However, if settlement has failed, the parties shall file a notice forthwith such that the Court can proceed to address pending motions to move this case forward.

Dated this 1st day of May, 2015.

Honorable James A. Soto
United States District Judge
