DEFENDANTS

ORDER

The parties' joint motion to dismiss based on their settlement, *Document No. 47*, is granted. The Court declines to retain jurisdiction over the settlement agreement indefinitely. It will, however, retain jurisdiction until 31 December 2012 to ensure consummation. Thereafter, any party must seek enforcement in a court of competent jurisdiction, as the agreement provides.

So Ordered.

D.P. Marshall Jr.
United States District Judge

14 September 2012
