DEFENDANTS

ORDER

The Court has considered Magistrate Judge Jerome T. Kearney's proposed findings and recommendations, *No. 71*. The Court granted Abdulaziz/Askew an extension to file a response, *No. 73*, and he has not objected. After reviewing the proposal for clear factual error and for legal error, FED. R. CIV. P. 72(b)(3) (1983 addition to advisory committee notes), the Court adopts it. Defendants' motions for summary judgment, *No. 62 & 65*,

granted. All Abdulaziz/Askew's claims against the remaining Defendants are dismissed without prejudice for failure to exhaust his administrative remedies. His motion to strike and for a hearing, No 68, is denied as moot.

So Ordered.
