DEFENDANTS

ORDER

Murphy's motion to voluntarily dismiss all her claims, *No. 151*, is denied. FED. R. CIV. P. 41(a)(2). The Court has already granted a prior voluntary dismissal of the case. *No. 39*. And several factors counsel against another: Defendant's ripe motion for summary judgment; no explanation on why a second dismissal is needed; the potential prejudice to Defendants; and the more than one-hundred and fifty filings to date. *Paulucci v. City of Duluth*, 826 F.2d 780, 783 (8th Cir. 1987). It is time to decide this case on the merits. If Murphy has any objection to the Proposed Findings and Recommendations, *No. 150*, it is due by 8 September 2014.

So Ordered.
