

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
NORTHERN DIVISION

WILLIAM BURGESS
ADC #127925

PLAINTIFF

v.

1:15-cv-67-DPM

BRIAN SHERROD,
Deputy, Sharp County Jail

DEFENDANT

ORDER

The unopposed motion to continue the October 30th bench trial, *No* 92, is denied. This trial has been scheduled for many months. No sufficient reason has been provided for a continuance. In the circumstances, though, the Court extends all the pretrial deadlines from tomorrow, *No* 90, until 5 October 2017. Unless a criminal trial must be held, this older civil case needs resolution by the end of October as planned.

So Ordered.
