The complaint in this removed case is spread over several filings. *No* 2–4. Likewise the answers. *No* 5–10. To make things clearer, and to honor Local Rule 5.5(e), the Powells must file a stand-alone third amended complaint by 12 February 2016. Walgreens and Cutsinger must file stand-alone answers – or a shared answer if they wish – by 26 February 2016. All the new pleadings should cover only already pleaded ground.
