

IN THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
NORTHERN DIVISION

TAMMY TILLERY

PLAINTIFF

v.

No. 1:16-cv-69-DPM

WENDY LYNNE KELLEY, in her individual and official capacity as the Director of the Arkansas Department of Correction; DEXTER L PAYNE, in his individual and official capacity as Deputy Director of the ADC; STEPHEN D WILLIAMS, in his individual and official capacity as Warden of the North Central Unit of the ADC; and BILLY W INMAN, in his individual and official capacity as Deputy Warden of the North Central Unit of the ADC

DEFENDANTS

ORDER

1. Mrs. Tillery's motion for Marshal service of four subpoenas, *No 52*, is denied without prejudice. As the Court explained at the hearing some months ago, she may apply for IFP status (under seal). If she does, and if the Court grants her motion, then the Court will reconsider these service issues.

2. Mrs. Tillery's motion to get the name of the visitation clerk at the North Central Unit, *No 53*, is granted. Discovery closed a month ago. But the effort involved in responding is *de minimus*; this person may indeed have relevant knowledge; and the Court declines to decide now exactly who may

testify about what. Please provide the name, by email, by 7 December 2016.

So Ordered.
