ORDER

1. Friar moves to proceed *in forma pauperis*. № 1. But he's a three-striker. 28 U.S.C. § 1915(g). Before filing this lawsuit, he had at least three cases dismissed for failing to state a claim. *E.g., Friar v. Jackson County Sheriff Department, 1:14-cv-97-BSM; Friar v. Jackson County Sheriff Department, 1:16-cv-27-BSM; and Friar v. Wrightsville Unit, 4:17-cv-486-SWW.* His new allegations include complaints about the Sharp County Detention Center. № 2. But he was transferred to another facility before he filed this case; and nothing in his complaint shows he's currently in imminent danger of serious physical injury. 28 U.S.C. § 1915(g). His motion to proceed *in forma pauperis*, № 1, is therefore denied.

2. Friar's complaint will be dismissed without prejudice. If Friar wants to pursue this case, then he must pay the \$400 filing and administrative fees and file a motion to reopen this case by 30 November 2017. An *in forma pauperis* appeal from this Order and accompanying Judgment would not be taken in good faith. 28 U.S.C. § 1915(a)(3).

So Ordered.
