**ORDER**

Pending is Helena Chemical Company's Rule 36(a)(6) motion to deem admitted requests for admission. (Docket # 172). Plaintiffs have responded and Helena Chemical Company has filed a reply. Plaintiffs indicate a willingness to work out this discovery issue without the Court's intervention, however, Helena's reply indicates that efforts to resolve the issue have been unsuccessful.

The motion to deem the requests for admissions admitted is denied at this time. The parties are directed to confer and Plaintiffs are directed to provide amended responses to the requests on or before August 2, 2010. Helena may refile its motion with respect to those issues the parties are unable to resolve.

IT IS SO ORDERED this 16<sup>th</sup> day of July, 2010.
