ORDER

The Court has considered Magistrate Judge H. David Young's Proposed Findings and Recommended Partial Disposition, *Document No. 271*, related to Tucker's June 2010 emergency motion for a protective order, *Document No. 231*, that complains about alleged retaliatory conduct by prison staff. Tucker did not object to Magistrate Judge Young's report. The Court sees no error of law or clear error of fact on the face of the record. Fed. R. Civ. P. 72(b) (advisory committee notes to 1983 addition). The Court therefore adopts

Magistrate Judge Young's proposed findings and recommended partial disposition and denies Tucker's motion.

So Ordered.
