ORDER

Plaintiff was granted leave to amend his complaint on March 4, 2010, and service was ordered for Defendant Steven Melton (docket entry #27). However, the summons was returned unexecuted on March 24, 2010, with a notation on the return indicating that Melton is no longer at the Federal Correctional Institution in Forrest City (docket entry #33). Accordingly, counsel for Defendant USA is directed to file under seal, no later than 30 days after the entry of this order, Melton's last known address.

IT IS SO ORDERED this 25 day of March, 2010.
