ORDER

On November 12, 2010, the Court adopted the Magistrate Judge's Proposed Findings and Partial Recommendation Disposition (#63) which dismissed without prejudice Plaintiff's claims against Defendants Thomas and Moore. On that same date, after entry of that Order, Plaintiff filed untimely objections and made additional discovery requests.

The Court has reviewed the objections to Docket Entry No. 63 and finds them to be without merit and the discovery requests are referred back to the Magistrate Judge for appropriate action.

DATED this 17 day of November, 2010.

UNITED STATES DISTRICT JUDGE
