ORDER

The Court has considered United States Magistrate Judge H. David Young's Proposed Findings and Partial Recommended Disposition – to which Terry McKnight has not objected. Having reviewed the proposal for clear errors of fact on the face of the record as a whole, FED. R. CIV. P. 72(b)(3) (1983 addition to advisory committee notes), and legal error, the Court adopts Magistrate Judge Young's proposal, *Document No. 5*. The Court dismisses without prejudice all of McKnight's claims, except he may proceed on his claim seeking prospective injunctive relief on segregation reviews.

So Ordered.
