ORDER

The Court has reviewed the Proposed Findings and Recommended Partial Disposition submitted by United States Magistrate Judge J. Thomas Ray and the filed objections. After carefully considering these documents and making a *de novo* review of the record in this case, the Court concludes that the Proposed Findings and Recommended Partial Disposition should be, and hereby are, approved and adopted in their entirety as this Court's findings with the exception that this Court finds for screening purposes only based upon Plaintiff's objections that Plaintiff has stated a viable inadequate medical care claim against Defendants Akin, Burl, and Ball regarding Plaintiff's feet and skin problems.

IT IS THEREFORE ORDERED THAT:

1. Plaintiff may **PROCEED** with his inadequate medical care claims as described above, and that all other claims are **DISMISSED, WITHOUT PREJUDICE**.

2. The Clerk is directed to prepare a summons for Defendants Akin, Burl, and Ball, and the U.S. Marshal is directed to serve the summons, Complaint, Amended Complaint, and this Order on them through the ADC Compliance Division, without prepayment of fees and costs or security

therefor.¹

3. The Court CERTIFIES, pursuant to 28 U.S.C. § 1915(a)(3), that an *in forma pauperis* appeal from this Order would not be taken in good faith.

Dated this 25 day of April, 2011.
