**ORDER**

The Court has considered Magistrate Judge H. David Young's proposed findings and recommendations, *Document No. 9*, and Cory D. Bradley's objections, *Document No. 11*. After *de novo* review, the Court adopts Judge Young's proposal as its own. FED. R. CIV. P. 72(b)(3). Some evidence supports his disciplinary conviction for possessing a weapon, which is all the law requires. *Superintendent, Massachusetts Correctional Institution v. Hill*, 472 U.S. 445, 455 (1985). Bradley's petition for writ of habeas corpus is dismissed with prejudice.
