ORDER

No one has objected to Magistrate Judge Joe J. Volpe's recommendation, No. 42, that the Court dismiss Hill's claims against Holloway, whom no one has been able to locate for service. On review for legal error and clear factual error, FED. R. CIV. P. 72(b) (1983 Addition to Advisory Committee Note), the Court adopts Judge Volpe's recommendation as its own opinion. Hill's claims against Holloway are dismissed without prejudice.

So Ordered.

United States District Judge
