DEFENDANTS

ORDER

The Court has considered Magistrate Judge Beth Deere's partial recommended disposition, *No* 22, to which Spencer has not objected. After reviewing the proposal for clear factual error and for legal error, FED. R. CIV. P. 72(b)(3) (1983 addition to advisory committee notes), the Court adopts it. Ward's and Farris's motion to dismiss, *No* 20, is granted. Spencer's claims against Ward and Farris are dismissed without prejudice.

So Ordered.
